We are currently tabulating data for dry bean production. Your cooperation in supplying the requested data will be greatly appreciated. Your report should reflect the total amount of dry beans you expect to receive from the 2008 crop. Include Idaho beans grown and processed for out-of-state houses. While response to this survey is not required by law, your report is essential. Please fill in the table below, giving your best estimate where necessary. Individual reports will be held confidential and only State totals by class will be published.

Please make corrections to name, address and Zip Code, if necessary.
