We realize it is early in the season to forecast actual yield, but your best estimate, based upon the present outlook, will be useful. Response to this survey is voluntary and not required by law, however, cooperation is very important in order to estimate dry bean production for Idaho. Your report will be kept confidential and used only with others in making State estimates. Thank you.

*Please make corrections to name, address and Zip Code, if necessary.*

### REPORT FOR YOUR FARM

**INSTRUCTIONS:** Please report the condition of dry beans now, as compared with the normal growth and vitality you would expect at this time, if there had been no damage from unfavorable weather, insects, pests, etc. Let 100 percent represent a normal condition.
