

Medical Office Survey on Patient Safety

SURVEY INSTRUCTIONS

Think about the way things are done in your medical office and provide your opinions on issues that affect the overall safety and quality of the care provided to patients in your office.

In this survey, the term **provider** refers to physicians, physician assistants, and nurse practitioners who diagnose, treat patients, and prescribe medications. The term **staff** refers to all others who work in the office.

- If a question does not apply to you or you don't know the answer, please check "Does not apply or Don't know."
- If you work in more than one office or location for your practice, when answering this survey answer only about the office location where you received this survey--do not answer about the entire practice.
- If your medical office is in a building with other medical offices, answer only about the specific medical office where you work--do not answer about any other medical offices in the building.
