PAPERWORK REDUCTION ACT OF 1995 (PRA) STATEMENT: The PRA (44 U.S.C. 3501 *et seq.*) requires us to inform you that we collect the information to obtain knowledge of equipment and procedures to be used in drilling operations. MMS uses the information to evaluate and approve or disapprove the equipment and/or procedures to safely perform the proposed drilling operation. Responses are mandatory (43 U.S.C. 1334). Proprietary data is collected under 30 CFR 250.197. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it carries a valid OMB Control Number. Public reporting burden for this form is estimated to average between 1-3 hours per response, depending on whether the collection is for a one-time submittal or electronic submittal. This includes the time for reviewing instructions, gathering and maintaining data, and completing and reviewing comments regarding the burden estimate or any other aspect of this form to the Information Collection Clearance Officer, Mail Stop 4230, Mineral Resources Service, 1849 C Street, NW, Washington, DC 20240.
