1. Under order of the Surface Transportation Board, Class I railroads, excluding switching and terminal companies, are required to file quarterly reports of balance sheet items, Form CBS, in duplicate, to the Office of Economics, Environmental Analysis and Administration, Surface Transportation Board, 395 E Street S.W. Washington, DC 20423, within 50 days after the close of each quarter. Reports should be prepared on a calendar quarter basis beginning with the first day of January, April, July, and October.
2. The items reported on Form CBS should be taken from and agree with the accounts kept in conformity with the current Uniform System of Accounts for Railroad Companies prescribed by the Surface Transportation Board. Report undistributed earnings from certain investments in Account 721, in accordance with Docket No. 35949, "The Equity Method of Accounting for Certain Long-Term Investments in Common Stocks." The account numbers refer to the accounts in the Uniform System of Accounts. Reverse items should be shown in parentheses. Dollar amounts should be shown in thousands.
3. Unusual transactions or items which reflect an important change in the financial condition of the carrier should be identified and explained in a footnote under "REMARKS."
4. The certification must be made by an officer of the carrier.
5. This information collection is mandatory pursuant to 49 CFR 1243.2.
6. The estimated hour burden for filing this report is six hours per report.
7. The Board uses the information in this report to ensure competitive, efficient and safe transportation through general oversight programs that monitor and forecast the financial and operating condition of railroads, and through specific regulation of railroad rate and service issues and rail restructuring proposals, including railroad mergers, consolidations, acquisitions of control and abandonments. Information from the reports is used by the Board, other Federal agencies, and industry groups, including the Association of American Railroads, to assess industry growth and operations, detect changes in carrier financial stability and identify trends that may affect the National Transportation System.
8. Information from these reports is compiled by the Board and published on its website, www.stb.dot.gov, where it may be maintained indefinitely. The compilation report is entitled Class I Railroads, Selected Earnings Data. All information collected through this report is available to the public.
9. In addition, paper copies of individual reports are maintained by the Board for ten years, after which they are destroyed.
10. The display of a currently valid OMB control number for this collection is required by law.

CERTIFICATION

I the undersigned state that this report was prepared by me or under my supervision; that I have carefully examined it; and on the basis of my knowledge, belief, and verification (when necessary), I declare it to be a full, true, and correct statement of the balance sheet accounts named, and that the various items here reported were determined in accordance with effective rules promulgated by the Surface Transportation Board.
