### **Questionnaire for National Security Positions**

Follow instructions fully or we cannot process your form. If you have any questions, contact the office that gave you the form.

#### **Purpose of this Form**

The United States (U.S.) Government conducts background investigations and reinvestigations of persons under consideration for or retention in national security positions as defined in 5 CFR 732 and for positions requiring access to classified information under Executive Order 12968.

Giving us this information is voluntary. If you do not provide each item of requested information, however, we will not be able to complete your investigation, which will adversely affect your eligibility for a national security position. Any information that you provide is evaluated on the basis of its recency, seriousness, relevance to the position and duties, and consistency with all other information about you.

Withholding, misrepresenting, or falsifying information will have an impact on a security clearance, employment prospects, or job status, up to and including denial or revocation of your security clearance, or your removal and debarment from Federal Service.

This form is a permanent document that may be used as the basis for future investigations, security clearance determinations, and determinations of your suitability for employment. Your responses to this form may be compared with previous security questionnaires. It is imperative that the information provided be true and accurate to the best of your knowledge.

#### **Authority to Request this Information**

Depending upon the purpose of your investigation, the U.S. Government is authorized to ask for this information under Executive Orders 10450, 10865, 12333, and 12968; sections 3301, 3302, and 9101 of title 5, U.S. Code (U.S.C.); sections 2165 and 2201 of title 42, U.S.C.; chapter 23 of title 50, U.S.C.; and parts 2, 5, 731, 732, and 736 of title 5, Code of Federal Regulations.

Your Social Security Number (SSN) is needed to identify your unique records. Although disclosure of your SSN is not mandatory, failure to disclose your SSN may prevent or delay the processing of your background investigation. The authority for soliciting and verifying your SSN is Executive Order 9397.

#### The Investigative Process

Background investigations for national security positions are conducted to gather information to show whether you are reliable, trustworthy, of good conduct and character, and loyal to the U.S. The information that you provide on this form may be confirmed during the investigation. The investigation may extend beyond the time covered by this form when necessary to resolve issues. Your current employer may be contacted as part of the investigation, even if you have previously indicated on applications or other forms that you do not want your current employer to be contacted.

In addition to the questions on this form, inquiry also is made about your adherence to security requirements, honesty and integrity, vulnerability to exploitation or coercion, falsification, misrepresentation, and any other behavior, activities, or associations that tend to show the person is not reliable, trustworthy, or loyal. Checks of Federal agency records may be made about your spouse or other cohabitant.

#### **Your Personal Interview**

Some investigations will include an interview with you as a routine part of the investigative process. The investigator may ask you to explain your answers to any question on this form. This provides you the opportunity to update, clarify, and explain information on your form more completely, which often helps to complete your investigation faster. It is important that the interview be conducted as soon as possible after you are contacted. Postponements will delay the processing of your investigation, and declining to be interviewed may result in your investigation being delayed or canceled.

For the interview, you will be asked to bring identification with your picture on it, such as a valid state driver's license. There are other documents you may be asked to bring to verify your identity as well. These may include documentation of any legal name change, Social Security card, passport, and/or your birth certificate.

You may also be asked to bring documents about information you provided on the form or about other matters requiring specific attention. These matters include (a) alien registration or naturalization documentation; (b) delinquent loans or taxes, bankruptcies, judgments, liens, or other financial obligations; (c) agreements involving child custody or support, alimony, or property settlements; (d) arrests, convictions, probation, and/or parole; or (e) other matters described in court records.

#### Special Instructions for Completing this Form

Questions on this form related to residence, employment, and education will require 7 years of information except that Single-Scope Background Investigations (SSBI) will require 10 years of information.

Provide 7 years of information unless you have been instructed to provide 10 years to satisfy SSBI requirements. If you are unsure as to the amount of information to provide, contact the office that gave you this form.

The instructions for these questions specify a 10-year time frame when an SSBI is required. If you have any questions about this investigative request or whether the 7-year time frame or the 10-year time frame applies to your responses to these questions, contact the office that gave you this form.

#### **Penalties for Inaccurate or False Statements**

The U.S. Criminal Code (title 18, section 1001) provides that knowingly falsifying or concealing a material fact is a felony which may result in fines and/or up to 5 years of imprisonment. In addition, Federal agencies generally fire, do not grant a security clearance, or disqualify individuals who have

materially and deliberately falsified these forms, and this remains a part of the permanent record for future placements. Your prospects of placement or security clearance are better if you answer all questions truthfully and completely. You will have adequate opportunity to explain any information you give to us on this form and to make your comments part of the record.

#### **DISCLOSURE INFORMATION**

The information you give to us is for the purpose of investigating you for a national security position; we will protect it from unauthorized disclosure. The collection, maintenance, and disclosure of background investigative information is governed by the Privacy Act. The agency that requested the investigation and the agency that conducted the investigation have published notices in the Federal Register describing the systems of records in which

your records will be maintained. The information on this form, and information collected during an investigation, may be dislcosed without your consent by an agency maintaining the information in a system of records as permitted by the Privacy Act [5 U.S.C. 552a(b)], and by routine uses published by the agency in the Federal Register. The office that gave you this form will provide you a copy of its routine uses.

#### **PRIVACY ACT ROUTINE USES**

- 2. To a court or adjudicative body in a proceeding when: (a) the agency or any component thereof; or (b) any employee of the agency in his or her official capacity; or (c) any employee of the agency in his or her individual capacity where the Department of Justice has agreed to represent the employee; or (d) the United States Government is a party to litigation or has interest in such litigation, and by careful review, the agency determines that the records are both relevant and necessary to the litigation and the use of such records is therefore deemed by the agency to be for a purpose that is compatible with the purpose for which the agency collected the records.

#### 13 EMPLOYMENT ACTIVITIES Use the Continuation Sheet(s) (SF 86A) or the Continuation Space on page 17 for additional answers.

List all your employment activities, beginning with the present (#1) and working back 7 years (if an SSBI go back 10 years). You should list all full-time and part-time work, paid or unpaid, consulting/contracting work, all military service duty locations, temporary military duty locations (TDY) over 90 days, self-employment, other paid work, and all periods of unemployment. **The entire period must be accounted for without breaks.** EXCEPTION: Do not list employments that occurred before your 18th birthday unless it is necessary for providing a minimum of 2 years of employment history. If you require additional space, use a continuation sheet (SF 86A).

**Employer/Verifier Information.** List the business name of your employer or the name of a person who can verify your self-employment or unemployment in this block. If military service is being listed, include your duty location or home port here as well as your branch of service. You should provide separate listings to reflect changes in your military duty locations or home ports. If you are a Federal Contractor, list company name, not Federal agency.

Additional Periods of Activity. Complete this block if you worked for an employer on more than one occasion at the same physical location. After entering the most recent period of employment in the initial numbered block, provide previous periods of employment at the same location on the additional lines provided. For example, if you worked at XY Plumbing in Denver, CO, during 3 separate periods of time, you would enter dates and information concerning the most recent period of employment first, and provide dates, position titles, and supervisors for the two previous periods of employment on the lines below that information.

Employment Code: Use one of the codes listed below to identify the type of employment.

1 - Active military duty stations2 - National Guard/Reserve

3 - U.S.P.H.S. Commissioned Corps

- 4 Other Federal employment
- 5 State Government (Non-Federal employment)
- 6 Self-employment (include business name and/or name of person who can verify)
