In certain situations, County or State Cooperative Extension Service/Land-Grant Institution authorization is required. Duly authorized 4-H Clubs and County and State Cooperative Extension Services are among those authorized to use the 4-H Name & Emblem for their own educational or informational purposes, so long as they are consistent with federal legislation and regulations regarding the 4-H Name and/or Emblem. When using a vendor, the vendor needs to seek authorization to use the 4-H Name and/or Emblem at the appropriate level. Before completing this form, consider the following:

- Does this request originate with a duly authorized 4-H Club or County or State Cooperative Extension Service?
- Is the proposed distribution of product(s)/service(s) confined to a specific county or state?
- Do the proposed product(s)/service(s) identify the club, county, area, or State 4-H program?
- Is the vendor, or any other providing product development, based within the county or state in which distribution is planned?
- Is the vendor only working with 4-H within the specified county or state (and not working with 4-H elsewhere, either simultaneously or consecutively)?

If you would answer yes to ALL of the above, please contact the appropriate County or State 4-H Office to inquire about their procedures for securing authorization for the specified use for a specified period of time. Per regulations, CSREES reserves the right to review and revoke any authorization or permission for use of the 4-H Name and/or Emblem at any time. **If you would answer no to ANY of the above, please continue.**
