Intercept Interview Screener and Guide

Public reporting burden for this collection of information is estimated to average 20 minutes per response. This time includes the length of time allotted for the survey questions. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0585). Do not return the completed form to this address.

Part 1- Screening

Can you spare a few minutes to help the National Institutes of Health develop materials about HIV/AIDS prevention?

Please use the following language for termination of screening:

“I’d like to thank you very much for your time today. We are looking to recruit a mix of people from a variety of backgrounds to help with this study. Right now we have enough people with your type of background. Again, thank you.
