

Appendix 4: Focus Group Screener

Focus Group Screener

Public reporting burden for this collection of information is estimated to average 10 minutes per response. This time includes the length of time allotted for the screening questions. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0585). Do not return the completed form to this address.

Recruit 11 to seat 8-9 respondents in each focus group

Participant screening will be conducted over the phone. A professional recruitment vendor will contact individuals from their proprietary recruitment database. Please note that the vendor will have access to African American, Hispanic, and MSM populations.

Hello, I'm _____ with _____, an independent consumer research firm. We are not selling or promoting any product or service. We are conducting a research study for the National Institutes of Health with adults to talk about health research issues. Everyone who participates in these discussions will receive \$75. Invitation

Thank you for answering my questions. I would like to tell you a little more about the discussion group. The group will meet on **[Date]** at **[Time]** at our focus group facility in **[CITY, GIVE ADDRESS]**. The group will consist of 7-8 other people, such as yourself, and a moderator. It will meet for 2 hours. You will receive \$75 for participating. Several individuals working on this research study may observe the groups from behind a one-way mirror.

So that we can start and end on time, please plan to arrive about 15 minutes early to pick up your nametag. We are counting on your participation, so please be sure to contact us as soon as possible if something comes up and you can't attend. **(GIVE PHONE NUMBER)**.

Also, do you wear glasses or use a hearing aid? If so, please remember to bring them. Some activities will involve reading and listening.

Has hearing aid *(check here)*

Has glasses *(check here)*

[ONLY if respondent asks for the topic of the focus group, please tell them “HIV vaccine research.” Please record if the participant asks about this and ask if they are still interested in participating. If the answer is “no” please ask why and record the answer.]

Before we hang up, let me get the correct spelling of your name, and your address and phone numbers so we can send you a confirmation letter with directions to our facility and give you a reminder call the day of the group.
