~~PAPERWORK/PRIVACY ACT NOTICE~~

See revised  
Privacy Act  
Statement below.

Section 1611(c), 1612(a)(1), and 1631(e)(1) of the Social Security Act allow us to ask for wage information about the worker named on the attached form. Your response to this request is voluntary. However, failure to respond to this request may have an adverse effect upon the worker or other individual involved. We will use the information you provide to resolve a Social Security matter involving this worker.

We may routinely disclose this information without your consent or the individual's consent if:

1. A Federal law requires that we give out this information;
2. A Member of Congress or the President's office needs this information to answer questions asked by the individual;
3. A government agency needs this information to administer an income maintenance or health maintenance program;
4. Someone needs this information to do statistical research or audit report for us related to the Social Security programs;
5. The Department of Justice needs the information to represent the Federal Government in a court suit related to a Social Security Administration matter.

We may also use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State, or local government agencies. Many agencies may use matching programs to find or prove that a person qualified for benefits paid by the Federal Government. The law allows us to do this even if you do not agree to it.

Explanations about these and others reasons why information you provide us may be used or given out are available in Social Security offices. If you want to learn more about this, contact any Social Security office.

3. **PRIOR WAGES.** Please read the following instructions and provide the information requested on the following page(s).

### What We Need To Know About Wages and Deductions

#### Wages

We need to know the amount of **gross** wages paid to the employee **in** each of the months checked on the back of this page and any additional pages. Base these amounts on actual paydays in the month, **not** the ending dates of pay periods. For example, wages earned in a pay period ending on May 29 but actually paid on June 5 would be included in the total gross wages paid in June. If no wages were paid to the employee in a month that is checked, please show "none."

#### Be sure to include in gross wages:

- Tips
- Bonuses
- Overtime
- Holiday and vacation pay
- The dollar value of payments in kind (meals or lodging, for example)  
Any contributions under a salary reduction agreement to a cafeteria plan as defined in section 125 of the Internal Revenue Code
- Garnished child support

**Do not include in gross wages any advance earned income tax credit payments.**

#### Deductions

Please also provide the amount of any cafeteria plan deductions, garnished child support, or any other item indicated at the top of these columns to the right of the gross wages. Please show "none," if applicable. Completion of the "OTHER" column is only needed when a specific item is listed at the top of that column.

The information you provide will help us verify wages or resolve wage discrepancies for the individual named on this form. Your response is voluntary. However, failure to provide the requested information may prevent an accurate and timely decision on any claim filed or could result in the loss of benefits.

We rarely use the information provided on this form for any purpose other than for verifying wages or resolving wage discrepancies. In accordance with 5 U.S.C. § 552a(b) of the Privacy Act, however, we may disclose the information provided on this form in accordance with approved routine uses, which include but are not limited to the following:

We may also use the information you provide when we match records by computer. Computer matching programs compare our records with those of other Federal, state or local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for federally funded or administered benefit programs and for repayment of payments or delinquent debts under these programs. The law allows us to do this even if you do not agree to it.
