**No material or nonsubstantive change to a currently
approved collection (1010-0071)**

As of December 18, 2008, the final rule for 30 CFR parts 203 and 260 became effective (73 FR 69490, November 18, 2008). The rule collection (1010-0173, expiration August 31, 2010) consists of three burden hours relating to 30 CFR part 203. The MMS is, therefore, consolidating the burden hours into OMB Control Number 1010-0071 (expiration December 31, 2009). After OMB approves the consolidation, MMS will discontinue 1010-0173.
