Federal Emergency Management Agency

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Federal Emergency Management Agency, DHS.
ACTION: Notice; 60-day notice and request for comments; Reinstatement, with change, of a previously approved collection for which approval has expired, OMB Number 1660-0059, FEMA Form 517-1, FEMA Form 512-1.

SUMMARY: The Federal Emergency Management Agency (FEMA), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on a reinstatement of an information collection. In accordance with the Paperwork Reduction Act of 1995, this notice seeks comments concerning this information collection that allows the

National Flood Insurance Program (NFIP) to facilitate the availability of flood insurance to those who have a need to purchase such. The NFIP will collect information from insurance agents who will offer the ability to purchase flood insurance as well as from those interested in purchasing the insurance policies so as to offer referral information on how the coverage may be obtained. If the information collection were not performed, the ability to offer respondents the resources available by the NFIP would be adversely affected.

SUPPLEMENTARY INFORMATION: FEMA administers the National Flood Insurance Program (NFIP) in response to losses due to floods. The Flood Disaster Protection Act of 1973, Congress Findings and Declaration of Purpose, Section 2(a)(6) finds that it is in the public interest for persons already living in flood prone areas to have an opportunity to purchase flood insurance and access to more adequate limits of coverage in order to be indemnified for their losses in the event of future flood disasters. This collection will allow for consumers to be educated about flood insurance coverage and to assist them in obtaining such coverage.
