If you have any questions about your report, please call: <NASS_TOLL_FREE>

- If your firm operates plants in more than one state, separate reports should be prepared for each state.
- Report total capacity and stocks in storage facilities operated by your firm.
- Your Warehouse Keeper license may include on farm facilities.
- If your firm operates more than one Mill, Elevator, or Warehouse in <STATE_NAME>
 - report **total data for all plants** if individual plants do not report.
 - report **only your plant's data** if individual plants do report.
- **INCLUDE** both bulk and sacked capacity in the rated storage capacity.
- **INCLUDE** all grain stored in your facilities and/or piles (temporarily stored) regardless of ownership for farmers, elevators, millers, processors, farmer owned reserve, under loan, and the Government Commodity Credit Corporation. **Include** grain to be used for seed.
- If no stocks are on hand, please check and return this report.
