The information requested below will be combined with data from farmers and other rice storage facilities in a rice stocks report to be issued later this month. Your answers to the questions below are voluntary and not required by law; however, they are essential in preparing this report. Individual reports are held confidential and used only in compiling State totals.

Please complete this questionnaire within the next few days and return it to us in the enclosed envelope to insure correct and prompt delivery. No stamp is required. You may fax your completed report to 501-224-5630.

Please make corrections to name, address and Zip Code, if necessary.

Instructions:

- Report the total quantity of all rice by length of grain classes stored in this facility, or in transit from this facility, regardless of ownership and intended uses.
- Stocks in transit should include rice controlled by your operation in transit between mills or warehouses and port facilities on December 1, 2008. Include any rice loaded aboard ship from your docks for which no ocean bill of lading has been issued.
- Government (CCC) owned rice stored in this facility should be included as well as all other rice stored here.
- Report milled rice (bulk and packaged) in equivalent 100 pound bags. Enter "0" if the answer for an item is none.
