Dear Resident:

This is your official 2010 Census form. We need your help to count everyone in the United States by providing basic information about all the people living in this house or apartment. **Please complete and mail back the enclosed census form today.**

Your answers are important. Census results are used to decide the number of representatives each state has in the U.S. Congress. The amount of government money your neighborhood receives also depends on these answers. That money is used for services for children and the elderly, roads, and many other local needs.

Your answers are confidential. This means the Census Bureau cannot give out information that identifies you or your household. Your answers will only be used for statistical purposes, and for no other purpose. The back of this letter contains more information about protecting your data.

Sincerely,

Steve H. Murdock
Director, U.S. Census Bureau
