U S C E N S U S B U R E A U

Dear Resident:

I recently sent a letter to your household about the American Community Survey. Enclosed is a questionnaire and information about the survey. Please complete the questionnaire and mail it back as soon as possible in the postage-paid envelope. The U.S. Census Bureau is conducting this survey and chose your address, not you personally, as part of a randomly selected sample.

Some households, including yours, will receive both the American Community Survey and the 2010 Census this year. **Your response to both is required by U.S. law.** The Census Bureau is required by U.S. law to keep your answers confidential.

The American Community Survey collects critical up-to-date information used to meet the needs of communities across the United States. For example, results from this survey are used to decide where new schools, hospitals, and fire stations are needed. This information also helps communities plan for the kinds of emergency situations that might affect you and your neighbors, such as floods and other natural disasters.

The enclosed brochure answers frequently asked questions about the American Community Survey. If you need help filling out the questionnaire, please use the enclosed guide or call our toll-free number (1-800-354-7271).

Thank you.

Sincerely,

Steve H. Murdock

Helping You Make Informed Decisions

Frequently Asked Questions

What is the American Community Survey?

Every 10 years, the U.S. Census Bureau conducts a census. During Census 2000, the population of the United States was counted, and additional information was collected to describe the characteristics of the nation's population and housing.

The next census in 2010 will count the population, while the American Community Survey collects the information about population and housing characteristics throughout the decade. Based on the American Community Survey, the Census Bureau can provide data about our rapidly changing country more often than every 10 years.

Why don't you use the information I provided on my Census 2000 questionnaire?

We need your response even if you completed a Census 2000 questionnaire, because the characteristics of your household may have changed since Census 2000. As we move further away from 2000, information provided in Census 2000 becomes outdated.

How do I benefit by answering the American Community Survey?

The American Community Survey provides up-to-date information for the nation, states, cities, counties, metropolitan areas, and communities. By responding to

the American Community Survey questionnaire, you are helping your community to establish goals, identify problems and solutions, and measure the performance of programs.

Communities need data about the well-being of children, families, and the elderly to provide services to them. The data also are used to decide where to locate new highways, schools, hospitals, and community centers; to show a large corporation that a town has the workforce the company needs; and in many other ways.

Do I have to answer the questions on the American Community Survey?

Yes, your response to this survey is required by law (Title 13, United States Code, Sections 141 and 193). Title 13, as changed by Title 18, imposes a penalty for not responding. The survey is approved by the Office of Management and Budget. We estimate this survey will take about 38 minutes to complete.

How will the Census Bureau use the information that I provide?

The Census Bureau can use the information you provide for statistical purposes only and cannot publish or release information that would identify you and your household. Your information will be used in combination with information from other households to produce data for

your community. Similar data will be produced for communities across the United States.

We may combine your answers with information that you gave to other agencies to enhance the statistical uses of these data. This information will be given the same protections as your survey information. Based on the information that you provide, you may be asked to participate in other Census Bureau surveys that are voluntary.

Will the Census Bureau keep my information confidential?

Yes. All of the information the Census Bureau collects for this survey about you and your household is confidential by law (Title 13, United States Code, Section 9). By law, every Census Bureau employee—including the Director as well as every field representative—has taken an oath and is subject to a jail term, a fine, or both if he or she discloses ANY information that could identify you or your household.

Where can I find more information about the American Community Survey or get assistance?

You may visit our Web site www.census.gov/acs/www, or call 1-800-354-7271 if you need assistance or more information.

YOUR ANSWERS ARE CONFIDENTIAL AND REQUIRED BY LAW

The law, Title 13, Sections 141, 193, and 221 of the U.S. Code, authorizing the American Community Survey, also provides that your answers are confidential. No one except Census Bureau employees may see your completed form and they can be fined and/or imprisoned for any disclosure of your answers.

The same law that protects the confidentiality of your answers **requires** that you provide the information asked in this survey to the best of your knowledge.

HOW TO FILL OUT THE AMERICAN COMMUNITY SURVEY FORM

Please mark the category or categories as they apply to your household. Some questions ask you to print the information. See **Examples** below.

Make sure you answer questions for each person in this household. If anyone in the household, such as a roomer or boarder, does not want to give you his or her personal information, print at least the person's name and answer questions 2 and 3. **An interviewer may telephone to get the information from that person.**

There may be a question you cannot answer exactly. For example, you may not know the age of an older person or the price for which your house would sell. Ask someone else in your household; if no one knows, give your best estimate.

Read these instructions and also follow the instructions provided throughout the questionnaire. These instructions will help you understand the questions and to answer them correctly. If you need assistance, call **1-800-354-7271**. The telephone call is free.

INSTRUCTIONS FOR COMPLETING THE SURVEY QUESTIONS

List the name of each person who lives at this address. If you are not sure if you should list a person, see the guidelines on the front page of the form. If you are still not sure, call **1-800-354-7271** for help.

In the space labeled **Person 1**, print the name of the household member living or staying here in whose name the house or apartment is owned, being bought, or rented.

If there is no such person, any adult household member can be **Person 1**.

If there are more than 5 people in your household, please provide the name of each additional person on page 4. For each additional person listed on page 4, you should also provide this person's sex and age. Complete this form for the first five people listed on pages 2, 3, and 4, and mail it back in the enclosed envelope as soon as possible. An interviewer may telephone to obtain information for the additional persons.

If no one is living or staying at this address for more than 2 months, do not list any names on pages 2, 3, and 4. Complete only pages 5, 6, and 7, and return the form.

ANSWER PERSON QUESTIONS 1 THROUGH 6 FOR THE FIRST FIVE PEOPLE LISTED ON PAGES 2, 3, AND 4 OF THE QUESTIONNAIRE.

1. Print the person's Last Name, First Name, and Middle Initial (MI) in the spaces provided.
2. If the person is related to Person 1 by birth, marriage, or adoption, but is not the **Husband or wife, Biological son or daughter, Adopted son or daughter, Stepson or stepdaughter, Brother or sister, Father or mother, Grandchild, Parent-in-law, Son-in-law or daughter-in-law**, of Person 1, mark the **"Other relative"** box. Therefore, a niece or nephew of Person 1 would be categorized as **"Other relative."**

If a person is **not** related to Person 1, mark the applicable box. A **"Roomer or boarder"** is someone who occupies room(s) and makes cash or non-cash payment(s). A **"Housemate or roommate"** is someone sharing the house/apartment (but who is not romantically involved) with Person 1. A **"Housemate or roommate"** is also 15 years old or over and who shares living quarters primarily to share expenses. An **"Unmarried partner,"** also known as a domestic partner, is a person who shares a close personal relationship with Person 1. A **"Foster child"** is someone under the age of 21 who is involved in the formal foster care system. For all other people who are not related to person 1, mark the **"Other nonrelative"** box.

3. Mark one box to indicate this person's biological sex.
4. For each person, print this person's age and month, day, and year of birth. Print the age at the last birthday. Do not round the age up if this person is close to having a birthday. If the exact age is not known, provide an estimate. Print "0" for babies less than 1 year old.

Please answer BOTH Question 5 about Hispanic origin and Question 6 about race. For this survey, Hispanic origins are not races.

5. A person is of Hispanic, Latino, or Spanish origin if the person's origin (ancestry) is Mexican, Mexican American, Chicano, Puerto Rican, Cuban, Argentinean, Colombian, Costa Rican, Dominican, Ecuadoran, Guatemalan, Honduran, Nicaraguan, Peruvian, Salvadoran, from other Spanish-speaking countries of the Caribbean or Central or South America, or from Spain.

The term **Mexican Am.** refers to persons of Mexican-American origin or ancestry.

If you mark the **"Yes, another Hispanic, Latino, or Spanish origin"** box, print the name of the specific origin.

If a person is not of Hispanic, Latino, or Spanish origin, answer this question by marking the **"No, not of Hispanic, Latino, or Spanish origin"** box.

This question should be answered for **ALL** persons.

6. Mark all boxes for the appropriate races.

The concept of race, as used by the Census Bureau, reflects self-identification by individuals according to the race or races with which they identify.

The instruction before question 5, "For this survey, Hispanic origins are not races" reflects the federal government's treatment of Hispanic origin and race as separate and distinct concepts. People who identify their origin as Hispanic, Latino, or Spanish may be of any race.

People may choose to provide two or more races either by marking two or more race response boxes, by providing multiple write-in responses, or by some combination of marking boxes and writing in responses.

If you mark the **"American Indian or Alaska Native"** box, also print the name of the tribe(s) in which the person is enrolled. If the person is not enrolled in a tribe, print the name of the principal tribe.

If you mark the "**Other Asian**" box, print the name of the specific race(s) or group(s) in the space provided. The category "**Other Asian**" includes persons who identify themselves as Burmese, Hmong, Indonesian, Laotian, Thai, Pakistani, Cambodian, Sri Lankan, and so on.

If you mark the "**Other Pacific Islander**" box, print the name of the specific race(s) or group(s) in the space provided. The category "**Other Pacific Islander**" includes persons who identify themselves as Fijian, Tongan, Polynesian, Tahitian, and so on.

If you mark the "**Some other race**" box, print the race(s) or group(s) in the space provided.

This question should be answered for **ALL** persons.

ANSWER HOUSING QUESTIONS 1 THROUGH 21 FOR THE HOUSE, APARTMENT, OR MOBILE HOME AT THE ADDRESS ON THE MAILING LABEL.

1. Mark only one category.

Count both occupied and vacant apartments in the house or building. Do not count stores or office space.

Detached means there is open space on all sides, or the house is joined only to a shed or garage. *Attached* means that the house is joined to another house or building by at least one wall that goes from ground to roof. An example of **A one-family house attached to one or more houses** is a house in a row of houses attached to one another, sometimes referred to as a townhouse.

A mobile home that has had one or more rooms added or built onto it should be considered as **A one-family house detached from any other house**. If only a porch or shed has been added to a mobile home, it should be considered as a mobile home.

Towable RVs, such as travel trailers or fifth-wheel trailers, should be considered as **A mobile home**. Self-propelling RVs or motorhomes should be considered as a **Boat, RV, van, etc.**

2. Mark the box that corresponds to the year in which the original construction was completed, not the time of any later remodeling, additions, or conversions.

If the building was first built in 2000 or later, enter the exact year it was built.

If you live on a boat or in a mobile home, enter the year corresponding to the model year in which it was manufactured.

If you do not know the year the building was first built, enter your best estimate.

3. Enter the month and year that **Person 1** listed on page 2 last moved into this house, apartment, or mobile home.

4. Complete this question if you live in a one-family house or in a mobile home; include only land that you own or rent.

The number of acres is the acreage on which the house or mobile home is located; include adjoining land you rent for your use.

6. Complete this question if you live in a one-family house or mobile home. A *business*, such as a grocery store or barber shop, is easily recognized from the outside and usually has a separate entrance. A *medical office* is a doctor's or dentist's office regularly visited by patients.

- 7b.** Include all rooms intended to be used as bedrooms in this house, apartment, or mobile home, even if they are currently being used for other purposes.

Print "0" for an efficiency or studio apartment that does not have a separate bedroom. Your response to this question (7b) should be smaller than the number of rooms reported in question 7a.

- 8a.** Mark "**Yes**" to "**hot and cold running water**" even if the unit has hot water only part of the time.
- 8d.** Mark "**Yes**" to "**sink with a faucet**" if the sink is inside the house, apartment or mobile home and the water can be turned on and off with a faucet.
- 8e.** Mark "**Yes**" to "**a stove or range**" if the stove or range is inside the house, apartment or mobile home. Portable cooking equipment is not considered a stove or range.
- 8g.** Mark "**Yes**" to "**telephone service ...**" if (1) there is a telephone in working order, and someone receives service at this house, apartment, or mobile home; or (2) if someone has a cell phone from which you can both make and receive calls. If service has been discontinued because of nonpayment or any other reason, mark the "**No**" box.
- 9.** Include company cars, vans or SUVs (including police cars and taxicabs) and company trucks of one-ton (2,000 pounds) capacity or less that are regularly kept at home and used by household members for nonbusiness purposes. **DO NOT** count (1) cars or trucks permanently out of working order, or (2) motorcycles or other recreational vehicles.
- 10.** Mark ONE category for the fuel used **MOST** to heat this house, apartment, or mobile home. In buildings containing more than one apartment, you may obtain this information from the owner, manager, or janitor.

Solar energy is provided by a system that collects, stores, and distributes heat from the sun. **Other fuel** includes any fuel not listed separately, such as purchased steam, fuel briquettes, and waste material.

11a-11d.

If your house, apartment, or mobile home is rented, enter the costs for utilities and fuels **only if you pay for them in addition to the monthly rent.**

If you live in a condominium, enter the costs for utilities and fuels **only if you pay for them in addition to your condominium fee.**

If your fuel and utility costs are included in your rent or condominium fee, mark the "**Included in rent or condominium fee**" box. **DO NOT** enter any dollar amounts.

For items **11a** and **11b**, report LAST MONTH'S COSTS. For items **11c** and **11d**, report total costs for the PAST 12 MONTHS.

Estimate as closely as possible if you do not know exact costs. If you have lived in this house, apartment, or mobile home less than one year, estimate the costs for the PAST 12 MONTHS in **11c** and **11d**.

Report amounts even if your bills are unpaid or paid by someone else. If the bills include utilities or fuel used also by another apartment or a business establishment, estimate the amounts for your house or apartment only. If gas and electricity are billed together, enter the combined amount in **11a** and mark the "**Included in electricity payment entered above**" box in item **11b**.

- 13.** A *condominium* is housing in which the apartments, houses, or mobile homes in a building or development are individually owned, but the common areas, such as lobbies and halls, are jointly owned. Occupants of a cooperative should mark the **"No"** box.

A *condominium fee* is normally assessed by the condominium owners' association for the purpose of improving and maintaining the common areas. Enter a monthly amount even if it is unpaid or paid by someone else. If the amount is paid on some other periodic basis, see the instruction for question **15a** below on how to change it to a monthly amount.

- 14.** Housing is owned if the owner or co-owner lives in it.

If the house, apartment, or mobile home is mortgaged or there is a contract to purchase, mark the **"Owned by you or someone in this household with a mortgage or loan? Include home equity loans."** box. If there is no mortgage or other debt, mark the **"Owned by you or someone in this household free and clear (without a mortgage or loan)?"** box. If the house, apartment, or mobile home is owned but the land is rented, mark one of the "owned" categories. If the mobile home is owned without an installment loan, but there is a mortgage on the land, mark the **"Owned by you or someone in this household with a mortgage or loan? Include home equity loans."** box.

If any money rent is paid, even if the rent is paid by people who are not members of your household, or paid by a federal, state, or local government agency, mark the **"Rented?"** box.

If the unit **is not** owned or being bought by a member of this household and if money rent **is not** paid or contracted, mark the **"Occupied without payment of rent?"** box. The unit may be owned by friends or relatives who live elsewhere and who allow you to occupy this house, apartment, or mobile home without charge. A house or apartment may be provided as part of wages or salary. Examples are: caretaker's or janitor's house or apartment; parsonages; tenant farmer or sharecropper houses for which the occupants do not pay rent; or military housing.

- 15a.** Report the rent agreed to or contracted for, even if the rent for your house, apartment, or mobile home is unpaid or paid by someone else.

	Multiply		Divide
If rent is paid:	rent by:	If rent is paid:	rent by:
By the day	30	4 times a year	3
By the week	4	2 times a year	6
Every other week	2	Once a year	12

- 15b.** If meals are included in the monthly rent payment, or you must contract for meals or a meal plan in order to live in this house, apartment, or mobile home, mark the **"Yes"** box.

ANSWER HOUSING QUESTIONS 16 THROUGH 20 IF YOU OR ANY MEMBER OF THIS HOUSEHOLD OWNS OR IS BUYING THIS HOUSE, APARTMENT, OR MOBILE HOME.

- 16.** Enter your best estimate of the value of the property; that is, how much you think the property would sell for if it were on the market. If this is a house, include the value of the house, the land it is on, and any other structures on the same property. If the house is owned but the land is rented, estimate the combined value of the house and the land. If this is a condominium unit, estimate the value for the condominium, including your share of the common elements. If this is a mobile home, include the value of the mobile home **and the value of the land only if you own the land.**

- 17.** Report taxes for all taxing jurisdictions (city or town, county, state, school district, etc.) even if they are included in your mortgage payment, not yet paid or paid by someone else, or are delinquent. **DO NOT** include taxes past due from previous years.
- 18.** When premiums are paid other than on a yearly basis, convert to a yearly basis. Enter the yearly amount even if no payment was made during the past year.
- 19a.** The word *mortgage* indicates all types of loans secured by real estate.
- 19b.** Enter a monthly amount even if it is unpaid or paid by someone else. If the amount is paid on some other periodic basis, see the instructions for **15a** to change it to a monthly amount.
- Include payments on first mortgages and contracts to purchase only. Report payments for second or junior mortgages and home equity loans in **20b**.
- If this is a mobile home, report payments on installment loans but **DO NOT** include personal property taxes, site rent, registration fees, and license fees on the mobile home and site. Report these fees in item **21**.
- 20a.** A second mortgage or home equity loan is also secured by real estate. You must have a first mortgage in order to have a second mortgage. You may have a home equity loan and other mortgages on the property or the home equity loan may be the only mortgage.
- 20b.** Enter a monthly amount even if it is unpaid or paid by someone else. If the amount is paid on some other periodic basis, see instructions for **15a** to change it to a monthly amount. Include payments on all second or junior mortgages or home equity loans.

ANSWER HOUSING QUESTION 21 IF THIS IS A MOBILE HOME THAT YOU OWN OR ARE BUYING.

- 21.** Report an amount even if your bills are unpaid or are paid by someone else.
- Include payments for personal property taxes, land or site rent, registration fees and license fees. **DO NOT** include real estate taxes already reported in **17**. Report the total annual amount even if you make payments in two or more installments. Estimate as closely as possible when you don't know exact costs.

ANSWER PERSON QUESTIONS 7 THROUGH 16 FOR ALL PERSONS ON PAGES 2, 3, AND 4.

Questions 7-48 are a continuation of the questions for each person. (Questions 1-6 appear on pages 2, 3, and 4 of the questionnaire.)

7. For people born in the United States:

Mark the "**In the United States**" box and then print the name of the state in which the person was born. If the person was born in Washington, D.C., print "District of Columbia."

For people born outside the United States:

Mark the "**Outside the United States**" box, and then print the name of the foreign country or Puerto Rico, Guam, etc. where the person was born. Use current boundaries, not boundaries at the time of the person's birth. For example, specify either Northern Ireland or the Republic of Ireland (Eire); North or South Korea; England, Scotland, or Wales (not Great Britain or United Kingdom). Specify the particular country or island in the Caribbean (for example, Jamaica, not West Indies).

8. If the person was born in the United States (50 states and the District of Columbia), mark the **"Yes, born in the United States"** box. If the person was born in Puerto Rico, Guam, the U.S. Virgin Islands, or Northern Marianas, mark the **"Yes, born in Puerto Rico, Guam, the U.S. Virgin Islands, or Northern Marianas"** box. If the person was born outside the United States (50 states and the District of Columbia) or at sea and had at least one parent who was a U.S. citizen at the time of the person's birth, mark the **"Yes, born abroad of U.S. citizen parent or parents"** box. Mark the **"Yes, U.S. citizen by naturalization"** box only if this person was born outside the United States (50 states and the District of Columbia) and has completed the naturalization process and is now a United States citizen. In the boxes below "Print year of naturalization," print the four-digit year this person completed the formal naturalization process. If this person is not a U.S. citizen, mark the **"No, not a U.S. citizen"** box. Legal Permanent Residents (LPRs) or "green card" holders, or other non-naturalized immigrants or visitors to the U.S. are not citizens of the United States and therefore should mark the **"No, not a U.S. citizen"** box.
9. If the person came to live in the United States (that is, the 50 states and the District of Columbia) more than once, enter the latest year he or she came to live in the United States.
- 10a. A *public school* is any school or college that is controlled and supported primarily by a local, county, state, or federal government. Schools are *private* if supported and controlled primarily by religious organizations or other private groups. *Home school* applies to parental guided education outside of a public or private school for grades 1–12.
11. **Mark only one box** to indicate the highest grade or level of schooling the person has **COMPLETED** or the **highest degree** the person received.
- Report schooling completed in foreign or ungraded schools as the equivalent level of schooling in the regular American school system.
- Mark the **"GED or alternative credential"** box for persons who did not receive a regular high school diploma but completed high school by receiving a GED or other formal recognition of high school completion from a school or governmental authority.
- If the person has not completed any college courses for credit, mark the highest level completed below the college level. If the person has not completed enough credit to be counted as a sophomore, mark the **"Some college credit, but less than 1 year of college credit"** box.
- For the **"Professional degree beyond a bachelor's degree"** category, **DO NOT** include certificates or diplomas for training in specific trades or occupations such as computer and electronics technology, medical assistant, or cosmetology. **DO NOT** include post-bachelor's certificates that are related to occupational training in such fields as teaching, accounting, or engineering.
12. Answer this question only if the person has a bachelor's degree or higher and print the specific major of this person's **bachelor's degree**. If this person has more than one bachelor's degree or more than one major, print the names of the specific majors for all of this person's bachelor's degree(s).
13. Print the ancestry group(s). *Ancestry* refers to the person's ethnic origin or descent, "roots," or heritage. *Ancestry* may also refer to the country of birth of the person or the person's parents or ancestors before their arrival in the United States. Answer this question for **ALL** persons, regardless of citizenship status.
- Do not report a religious group as a person's ancestry.
- Persons who have more than one origin and cannot identify with a single ancestry group may report two ancestry groups (for example: German, Irish).
- 14a. Mark the **"Yes"** box if the person sometimes or always speaks a language other than English at home.
- Mark the **"No"** box if the person speaks only English, or if a non-English language is spoken only at school or is limited to a few expressions or slang.

- 15a.** If the person did not live in the United States or Puerto Rico one year ago, mark the **"No, outside the United States and Puerto Rico"** box and print the name of the foreign country, or U.S. Virgin Islands, Guam, etc., where the person lived. Be specific when printing the name of the foreign country, for example, specify whether Northern Ireland or the Republic of Ireland (Eire); North or South Korea; England, Scotland or Wales (not Great Britain or United Kingdom). Specify the particular country or island in the Caribbean (not, for example, West Indies). Then SKIP to question 16.

If the person lived somewhere else in the United States or Puerto Rico one year ago, mark the **"No, different house in the United States or Puerto Rico"** box.

For example, print 1239 N. Main St. or 1239 Main St., N.W., not just 1239 Main. If the person lived in Puerto Rico, the address should also include the name of the development or condominium.

If the only known address is a post office box, give a description of the residence location. For example, print the name of the building where the person lived, the nearest intersection, the name of a military base or installation, or the nearest street where the residence was located, etc. DO NOT GIVE A POST OFFICE BOX NUMBER.

Print the name of the U.S. county or the name of the municipio in Puerto Rico. If the person lived in Louisiana, print the parish name in the **"Name of U.S. county or municipio in Puerto Rico"** space. If the person lived in Alaska, print the borough or census area name, if known. If the person lived in New York City and the county name is not known, print the borough name. If the person lived in an independent city (not in any county) or in Washington, D.C., leave the **"Name of U.S. county or municipio in Puerto Rico"** space blank.

- 16.** Mark the **"Yes"** or **"No"** box for each part of question 16.

If the person reports any other type of coverage plan in 16h, specify the type of coverage or name of the plan in the write-in box. **DO NOT** include plans that cover only one type of health care (such as dental plans) or plans that only cover a person in case of an accident or disability.

What the Survey Is About --

Some Questions and Answers

Why are we taking a survey?

The Census Bureau is conducting the American Community Survey to provide more timely data than data we typically collect only once every 10 years during the decennial census.

What does the Census Bureau do with the information you provide?

The American Community Survey will be the source of summarized data that we make available to federal, state, and local governments, and also to the public. The data will enable your community leaders from government, business, and non-profit organizations to plan more effectively.

How was this address selected?

Your address was scientifically selected to represent a cross section of other households in your community. Households in the sample are required to complete the survey form. Please return it in the postage-paid envelope as soon as possible.

Why the Census Bureau Asks Certain Questions --

Here are reasons we ask some of the questions on the survey.

Name

Names help make sure that everyone in a household is included, but that no one is listed twice.

Value or rent

Government and planning agencies use answers to these questions in combination with other information to develop housing programs to meet the needs of people at different economic levels.

Plumbing and Kitchen facilities

This question helps provide information on the quality of housing. The data are used with other statistics to show how the "level of living" compares in various areas and how it changes over time.

Place of birth

This question provides information used to study long-term trends about where people move and to study migration patterns and differences in growth patterns.

Job

Answers to the questions about the jobs people hold provide information on the extent and types of employment in different areas of the country. From this information, communities can develop training programs, and business and local governments can determine the need for new employment opportunities.

Income

Income helps determine how well families or persons live. Income information makes it possible to compare the economic levels of different areas, and how economic levels for a community change over time. Funding for many government programs is based on the answers to these questions.

Education

Responses to the education questions in the survey help to determine the number of new public schools, education programs, and daycare services required in a community.

Disability

Questions about disability provide the means to allocate federal funding for healthcare services and new hospitals in many communities.

Journey to work

Answers to these questions help communities plan road improvements, develop public transportation services, and design programs to ease traffic problems.
