OFFICE OF THE DIRECTOR

March 21, 2010

To all households:

About one week from now, you will receive a 2010 Census form in the mail. When you receive your form, please fill it out and keep it until a census worker visits your household to pick up your completed form. The U.S. Census Bureau, in partnership with the government of the U.S. Virgin Islands, is conducting the 2010 Census.

Your response is important. Results from the 2010 Census of the U.S. Virgin Islands will be used to distribute government funds for highways, schools, health facilities, and many other programs you and your neighbors need. Without a complete, accurate census, your community may not receive its fair share.

Thank you in advance for your help.

Sincerely,

Acting Director
U.S. Census Bureau
