OFFICE OF THE DIRECTOR

March 29, 2010

To all households:

This is your official 2010 Census form. We need your help to count everyone in the U.S. Virgin Islands by providing information about this house or apartment, and all the people living here. **Please complete your census form and keep it until a census worker visits your household to pick up your completed form.**

Your answers are important. Census results are used by local governments in the distribution of funds for services for children and the elderly, roads, and many other local needs including health facilities and schools.

Your answers are confidential. This means the U.S. Census Bureau cannot give out information that identifies you or your household. Your answers will only be used for statistical purposes, and for no other purpose. Federal law protects your privacy and keeps your answers confidential (Title 13, United States Code, Sections 9 and 214). The answers you give on the census form cannot be obtained by law enforcement or tax collection agencies. Your answers cannot be used in court or obtained with a Freedom of Information Act request.

Thank you for completing your 2010 Census form.

Sincerely,

Acting Director
U.S. Census Bureau
