## CUSTOMER FEEDBACK FORM

The National Ice Center (NIC)/Naval Ice Center (NAVICE) is committed to providing our customers with the highest quality ice analyses, outlooks, forecasts, and mission planning products. Through the course of the last year we have made some rather significant changes, including installing new analysis systems and making changes to our product suite.

We would now like to give our customers an opportunity to respond to these changes and provide us with the feedback necessary to ensure our products continue to meet your needs. Please take a few minutes to respond to the following survey. All customers are encouraged to contact NIC ([liaison@naticice.noaa.gov](mailto:liaison@naticice.noaa.gov), or 301-394-3149) to provide further suggestions that will make our products(s) and/or service(s) more useful. Thank you, in advance, for your assistance. Please respond to this survey no later than 31 December 2007.

**Paperwork Reduction Act Information:** In accordance with Executive Order 12862, the National Performance Review, and good management practices, the National/Naval Ice Center (NIC) seeks to determine whether their customers are satisfied with the services and/or products they are receiving and whether they have suggestions as to how the services/products may be improved or made more useful. The information will be used to improve NIC's products and services. Responses to this survey are completely voluntary. No confidentiality can be provided for responses, but you need not supply your name or contact information. Public reporting burden for this collection of information is estimated to average 3 minutes per response. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Sarah Brabson, CIO-PPA1, Station 9826, 1315 East-West Highway, Silver Spring, MD 20910.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.
