

## Industry Cost Collection Report Survey

**OMB Control No.: (TBD) Expiration Date: (TBD)**

The public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Washington Headquarters Services, Executive Services Directorate, Information Management Division, 1155 Defense Pentagon, Washington, DC 20301-1155. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. Information provided on this form will be kept private to the extent permitted by law. Information collected is compiled to create an aggregate estimated cost of NISP classification-related activities. Only the aggregate data is reported and all individual company information is kept in DSS records.

1) Below is your facility information. If you believe this is incorrect please respond to the invitation email you received with comment.

FACILITY NAME:           *(Facility Name Shown Here)*

CAGE CODE:               *(Facility CAGE Code Shown Here)*

2) Estimate your current annual security labor\* cost in burdened, current year dollars.

\$\_\_\_\_\_

\*Security labor is defined as personnel whose positions exist to support operations and staff in the implementation of government security requirements for the protection of classified information. Guards who are required as supplemental controls are included in security labor.

3) Please select the estimated percentage\* that security labor dollars (your answer in #2 above) is of your total security costs.

\*Note - Studies have shown that security labor normally accounts for 66% to 75% of all security costs.

Percentage:	<input type="checkbox"/> 50	<input type="checkbox"/> 55	<input type="checkbox"/> 60	<input type="checkbox"/> 65	<input type="checkbox"/> 70
	<input type="checkbox"/> 75	<input type="checkbox"/> 80	<input type="checkbox"/> 85	<input type="checkbox"/> 90	<input type="checkbox"/> 95

Thank you for your participation in this data collection.
