Dear «First_»,

Thank you for your participation in our nationwide survey of the State Medicaid programs regarding their smoking cessation programs, benefits, policies and activities. We are attaching a feedback report that compares the 2007 survey results for your state to the 2007 average across all Medicaid programs.

We are also in the process of finalizing the 2008 survey and would like to confirm that you are still the correct contact person.

Thanks again for all of your help,
