Privacy Act Statement

Collection and Use of Personal Information

Section 224 of the Social Security Act, as amended, authorizes us to collect this information. The information you provide will be used to determine the effect of your worker's compensation or other public disability benefit on your Social Security disability insurance benefits.

The information you furnish on this form is voluntary. However, failure to provide the requested information could prevent an accurate or timely decision on your claim and could affect your Social Security benefits.

We rarely use the information you supply for any purpose other than for determining the effect of other disability benefits on your Social Security benefits. However, we may use it for the administration and integrity of Social Security programs. We may also disclose information to another person or to another agency in accordance with approved routine uses, which include but are not limited to the following:

1. To enable a third party or an agency to assist Social Security in establishing rights to Social Security benefits and/or coverage;
2. To comply with Federal laws requiring the release of information from Social Security records (e.g., to the Government Accountability Office and Department of Veterans' Affairs);
3. To make determinations for eligibility in similar health and income maintenance programs at the Federal, state and local level; and
4. To facilitate statistical research, audit or investigative activities necessary to assure the integrity of Social Security programs.

We may also use the information you provide in computer matching programs. Matching programs compare our records with records kept by other Federal, state or local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for Federally funded or administered benefit programs and for repayment of payments or delinquent debts under these programs.

Additional information regarding this form, routine uses of information, and our programs and systems, is available on-line at www.ssa.gov or at your local Social Security office.
