

**National Evaluation of the Comprehensive Technical Assistance Centers
Survey of Regional Comprehensive Center (RCC) Participants**

Dear Colleague,

This survey is designed to gather your feedback on the assistance that **[Name of Content Center]** provided to your regional center in connection with the following set of activities:

[Name of Project]

Your name was included on a list of RCC staff members who participated in one or more of the following:

- **List of key activities (include date and location) or resources**

(Additional detail about this set of activities and resources can be found on the first page of the survey.)

For the purpose of this survey, please consider the contribution of **[Name of Content Center] to the work of your RCC**, even though your center may also have been responsible for collaborating with **[Name of Content Center]** and **[Name(s) of collaborating RCCs, if any]** on this set of activities and resources to serve states.

We need your feedback to inform the national evaluation of the Comprehensive Centers being conducted for the Institute of Education Sciences at the U.S. Department of Education by Branch Associates, Decision Information Resources (DIR), and Policy Studies Associates (PSA).

Per the Education Sciences Reform Act of 2002, Title I, Part E, Section 183, responses to this data collection will be used only for statistical purposes. The reports prepared for this study will summarize findings across the sample and will not associate responses with a specific district or individual. We will not provide information that identifies you or your organization to anyone outside the study team, except as required by law.

[On paper version of the survey, insert instructions for returning surveys here.]

Thank you in advance for your feedback!

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this survey is **xxxx-xxxx**. The time required to complete this survey is estimated to average **20 minutes** per response, including the time to review instructions, search existing data sources, gather the data needed, and respond to the survey questions. Send comments regarding this burden estimate or any other aspect of this collection of information,

OMB No. xxxx-xxxx

Exp. xx/xx/xx

including suggestions for reducing the burden, to the U.S. Department of Education, Washington, DC

Glossary of Terms

[Name of Project]. Please answer the following survey questions in regard to your experience with any of the following set of activities and resources. This set of activities **[began in/occurred on] [month/year]** and continued through **[month/year]**, and included:

- **List of activities (include date, location, and key presenters)**
- **Continue list**

Participants *may* also have used the following materials and resources:

- **List of publications and other resources**
- **Continue list**

Participants *may* also have interacted with Content Center staff on:

- **Advance planning**
- **Follow-up and action plans**
- **Ongoing consultation on this topic**

Please answer the following survey questions based on *your experience*, whether you participated in all of the activities or received all of the resources listed above, or just a few. Reviewing the materials you received from this set of technical assistance activities and resources may help you answer these questions.

“State-level staff.” The term “state-level staff,” where it appears on this survey, refers to staff in state education agencies (SEAs), staff of other state offices (for example, governor’s offices), staff of intermediate education agencies, state task forces, and school support teams assigned to low-performing schools.

[Note: For the web-based version of the survey, this box will appear as a header at the top of several screens throughout the survey.]
