This is the annual request for tonnage of sweet cherries processed by Michigan plants. Please report the total Michigan quantity processed at this plant. If you processed cherries grown in other States, please report the quantities separately for each State. Response to this survey is voluntary and not required by law, but your assistance is critical to ensure accurate results. Individual reports are kept confidential and used only in combination with others. Please return the report promptly in the enclosed postage paid envelope, or fax to (517)324-5299. Thank you for your cooperation.

Please make corrections to name, address and Zip Code, if necessary.

*** Please return promptly ***

Report only for your Michigan plant(s)
