Dear Producer:

The information requested in this survey is needed to forecast production of the 2006 peach crop. Response is voluntary and not required by law. However, your report is needed to make the estimates as accurate as possible, even if you do not expect any production this year. Your individual report is confidential and used only for statistical purposes.

If necessary, interviewers will begin calling for information around June 26th. Please help us save the cost of an interview by promptly returning this questionnaire in the enclosed envelope.

Sincerely,

Gary R. Keough
Director
