Dear Processor:

Final estimates for 2005-2006 macadamia nut production and values are now being prepared. The questions of production and purchases refer to the period: July 1, 2005 to June 30, 2006. Response to this survey is voluntary and not required by law. However, cooperation is important in order to estimate accurately macadamia nut production in Hawaii. Your report will be held confidential. Please return the questionnaire by June 8th in the enclosed self-addressed envelope which requires no stamp. Thank you.

Sincerely yours,

Mark E. Hudson
Director

Please make corrections in name, address, and ZIP code directly on mailing address above.
