Please Complete and Return this Questionnaire by July 7th

Dear Coffee Miller:

As part of its service to agriculture and to the general public, the Department of Agriculture collects and publishes statistics on Hawaii's coffee industry. This year we are asking additional questions concerning green and roasted coffee sales. Your response is critical as data from this survey will provide the most complete picture possible of your coffee industry and the important contribution it makes to Hawaii's economy.

Response to this survey is voluntary and not required by law. However, your cooperation is important in order to ensure accurate estimates. Federal regulations provides that your responses are confidential and can only be used to prepare statistical summaries. Data are never revealed for an individual operation.

Please complete and return this questionnaire on or before July 7th in the enclosed envelope which requires no stamp. You may keep a copy of the questionnaire for you files.

Sincerely,

Donald A. Martin
Director, Hawaii Agricultural Statistics
