SUBJECT: Request for Emergency Review and Approval for a New Information Collection Request Package, Advanced Biofuel Payment Program - Section 9005

The Agency is requesting emergency review and approval of a new information collection.

At this time, rather than seek public comments, USDA thinks it is important to follow the direction of the President's May 5, 2009, "Biofuels and Rural Economic Development" memorandum. This memorandum requests the Secretary of Agriculture take steps to the extent permitted by law to "...develop a comprehensive approach to accelerating the investment in and production of American biofuels" and for "...expediting funding to biofuels producers to encourage production of next-generation biofuels from cellulosic biomass and other feedstocks;..."

Under the authorities made available in the Food, Conservation, and Energy Act of 2008, Public Law 110-234, (2008 Farm Bill), Rural Development, Business and Cooperative Programs is publishing a Notice of Contract Proposal (NOCP). A burden is being imposed on entities seeking payments for the collection of reporting requirements. The NOCP establishes eligibility and application requirements, the review and approval process, and administration procedures for the program.

In compliance with OMB regulations (5 CFR part 1320), which implements the Paperwork Reduction Act of 1995 (Pub. L. 104-13), the information collection and recordkeeping requirements may be imposed by this action are submitted to OMB for emergency review and approval. The additional reporting requirements would not become effective prior to OMB review.
