The following changes were made because applicants who should have used SCHEDULE A to calculate license fees used SCHEDULE B, and vice versa, thereby significantly impacting the amount of fees paid.

SCHEDULE A

Deleted the words “Includes:” and “All others see Schedule B” to read as follows:

SCHEDULE A (Brokers, Commission Merchants, Food Service, Growers,
Grower’s Agent, Processors, Shippers, Truckers, and Wholesalers)

SCHEDULE B

Added the words “all others see Schedule A” to read as follows:

SCHEDULE B (Retailers and Grocery Wholesalers only, all others see Schedule
A)
