Hello:

Thank you for your comments concerning the CDC 60 Day Federal Register Notice for OMB No. 0920-0544 NIOSH Customer Satisfaction Survey. We have given the concerns you described careful consideration. For further information regarding the unique mission of CDC, please refer to our website at www.cdc.gov.

niosh does not accomplish very much worthwhile for the huge budget they get. i think this opinion survey is run so they get a good rating, even though they are not doing a good. job. office workers for example get highly toxic poisons from many office machines - niosh has done nothing about that bad air and poisons in the indoor air in offices too. these surveys always are rigged. why spend the money to do them?
