

Let your opinions be heard!

A few weeks ago we sent you an important package containing a NIOSH Customer Satisfaction Survey. The package also included a NIOSH Information Products CD and a CD version of the Pocket Guide to Chemical Hazards. We hope you have found these useful.

If you have already completed the survey, please accept our sincere appreciation. If you have not, please share your thoughts with us by completing the survey either on-line or via hardcopy as soon as possible. Your opinions are very important to NIOSH.

If you did not receive the survey or if it was misplaced, please call Battelle at (800) 444-5234, ext. 141 and we will send you another copy right away.

THANK YOU!
