### Attachment E: Survey Questions from 2003 Survey and New Questions

### NIOSH CUSTOMER SATISFACTION SURVEY

Note: This document lists all of the questions in the proposed 5-year follow-up survey. Survey Questions from the OMB-Approved 2003 NIOSH Customer Satisfaction Survey [OMB No. 0920-0544, expiration 3/31/03] appear in regular text in this document. New questions that have been added for the 5-year follow-up survey are *italicized and highlighted*.

### SECTION I BACKGROUND - TELL US ABOUT YOURSELF

1.	How would you define your professional training/background? Please mark (国) all that apply.
	<ul> <li>□ Physician</li> <li>□ Industrial safety engineer</li> <li>□ Nurse</li> <li>□ Industrial hygienist</li> <li>□ Other (Specify):</li> </ul>
2.	In your <b>CURRENT</b> job, what type of organization do you work for? Please mark ( <b>I</b> )) all that apply.
	<ul> <li>□ Company/business</li> <li>□ Labor organization</li> <li>□ Industry or trade association</li> <li>□ Hospital/clinic</li> <li>□ Private consultant</li> <li>□ Professional society staff</li> <li>□ Federal/State/Local government agency</li> <li>□ Other (Specify):</li> </ul>
3.	In your current job, how would you classify the overall size of the organization in which you work?  Please mark (☑) one response.  Self only Small (less than 100 employees) Medium (101 to 500 employees) Large (more than 500 employees)
<u>4.</u>	In your current job, in which of the following sectors do you work and/or apply your professional skills?  Please mark ( $E$ ) all that apply.
	☐ Agriculture, forestry, and fishing ☐ Construction ☐ Healthcare and social assistance

- ☐ Mining | Oil and gas extraction
- Manufacturing
- □ Services
- ☐ Transportation, warehousing, and utilities
- ☐ Wholesale and retail trade
- ☐ Other (Specify)

# SECTION II YOUR SOURCES FOR OCCUPATIONAL SAFETY AND HEALTH INFORMATION

5.	In your current job, how often the health (OSH) information? Please mark (图) one response for EA	do you use the following source: ACH source.	s of occupational safety and
	Printed Sources e.g., books, journals, tech reports	Electronic Sources e.g., Web search, CD-ROMs, software	Interpersonal Sources e.g., colleagues, experts, meetings, conferences

<i>l</i> .	Participating in emergency/disaster response or preparing emergency/disaster response written programs	<u></u>				

## SECTION III YOUR OPINION ABOUT NIOSH AND ITS COMMUNICATION PRODUCTS

14. Please indicate how strongly you AGREE or DISAGREE with each of the following statements.

Please mark (X) one response for EACH statement below.

	STATEMENTS	Strongly Agree	Agree	Disagree	Strongly disagree	No Opinion
a.	NIOSH is a credible source for obtaining OSH information.					
b.	NIOSH eNews keeps me informed about OSH current events and research findings.					
C.	The NIOSH Web site contains high-quality, usable information.					
d.	The NIOSH/CDC 800-Number provides high quality, usable information.					
e.	The NIOSH exhibits at conferences keep me informed about new NIOSH publications and services.					
f.	NIOSH is an important resource for the OSH community.					
g.	NIOSH publications contain current, upto-date information.					
h.	NIOSH publications are impartial.					
i.	NIOSH publications are at the appropriate technical level.					
j.	NIOSH publications provide useful recommendations and guidance.					

## SECTION IV YOUR PREFERENCES AND RECOMMENDATIONS

Listed below are various methods of obtaining NIOSH information. Please indicate YOUR preference on a scale of 1 to 5 for each method of obtaining NIOSH documents, publications, or web site content, where "1" indicates a high preference for that method and "5" indicates a low preference. Please mark (X) one response for EACH statement below. High Low **STATEMENTS** Preference Preference 2 1 4 5 Request and/or download from NIOSH a. Web site b. Call NIOSH/CDC 800-Number c. Obtain conference topic/literature compilations on CD-ROM d. Request at NIOSH conferences or exhibits e. Access via NIOSH eNews links  $\Box$  $\Box$ f. Other (Specify): Listed below are suggested ways for improving NIOSH dissemination of information. Please indicate the value to YOU on a scale of 1 to 5 for each suggested improvement where "1" indicates a high value to you and "5" indicates a low value. Please mark (X) one response for EACH statement below. Low High **STATEMENTS** Value Value 2 3 4 1 5 Publicize and increase the circulation of NIOSH Health Hazard Evaluation Reports. Package and distribute NIOSH publications around common themes (e.g., noise and hearing loss, ergonomics, agriculture). Make publications available in different languages. (Specify languages): d. Support a blog on the NIOSH Web site to discuss current science issues. Promote the use of electronic social media (e.g., YouTube, MySpace, Wikipedia) for safety and health information. Disseminate more through alliances with partners such as industry, labor,

professional associations, trade associations, academia and other

### stakeholders.

of the following types of publications should NIOSH consider emphasizing in the Please rank your top 3 choices in order of importance to you. Enter a "1" to indic st important topic, "2" for the second most important, and "3" for the third most				
nt.				
Recommended safety and health standards (criteria documents)				
Booklets or documents for educating and informing workers				
Booklets or documents for educating and informing owners and managers				
Case studies (e.g., Health Hazard Evaluations, fatality investigations, Research Practice (r2p) outcomes)				
Scientific/technical documents				
Manual of Analytical Methods				
Practical applications and guides (e.g., checklists, self-audits, "how-to" publication				
Please rank the following occupational health research topics in order of importance to yas potential areas of focus for NIOSH in the future. Please rank your top 3 choices. Enter "1" to indicate the most important topic, "2" for the second most important, and "3" for third most important.				
Investigating associations between workplace exposures and disease				
Identifying early indicators of work-related disease (sentinel health events)				
Identifying controls for various exposures				
Developing screening tests to identify early occupational disease				
Investigating the pathophysiological basis for disease				
list the top <b>THREE</b> occupational safety and health problems that you think deserve				

### SECTION V

# NIOSH AS RESEARCH PARTNER WITH ACADEMIA, INDUSTRY, LABOR UNIONS, NONPROFITS, AND OTHER DIVERSE STAKEHOLDERS

Over the last decade, NIOSH has developed several new initiatives that build on and extend NIOSH partnerships with diverse stakeholders. We are interested in your awareness of these new initiatives and your opinions about the importance of each.

		Very Important 1	<u>2</u>	3	Not at all Important 4	Not Familiar
<b>21</b> .	The National Occupational Research Agenda (NORA) provides an opportunity for stakeholders to have input into NIOSH's research program. How important is this initiative to you in your profession?	<u>-</u>	<u></u>	_ 	<u> </u>	<u></u>
<u>22.</u>	The NIOSH Research to Practice (r2p) initiative translates research results into information and documents that can be more readily used by practitioners. How important is this initiative to you in your profession?					
<u>23.</u>	The NIOSH WorkLife initiative provides information and support for the concepts that "healthy living and lifestyles" are also important to reduce and prevent chronic disease. How important is this initiative to you in your profession?					
<u>24.</u>	The NIOSH Prevention through Design (PtD) initiative provides information and focuses on the need to design work and all work related tools with the goal of minimizing risk. How important is this initiative to you in your profession?		<u></u>			
<mark>25.</mark>	Please indicate how strongly you AGREE of	or <b>DISAGR</b>	EE with	the followir	ng stateme	nt.
	NIOSH's impact on the occupational	Strongly Agree	<u>Agree</u>	<u>Disagree</u>	Strongly disagree	<mark>No</mark> Opinion
	safety and health community has been strengthened as a result of its partnerships with professional, academic, labor, and business organizations.					
<u>26.</u>	Please list topic areas or OSH initiatives yo WorkLife, or PtD initiatives.	ou would lik	e to see	included ir	n NORA, r2	<mark>'p,</mark>

<u>27.</u>	Please list stakeholders you would like to see partner with NIOSH via the NORA, r2p, WorkLife, or PtD initiatives.
	SECTION VI FINAL COMMENTS
28.	<b>WE CARE ABOUT WHAT YOU THINK.</b> Please use this space to provide us any additional comments you have about this survey or about the services and products provided by NIOSH.

#### THANK YOU FOR COMPLETING THE QUESTIONNAIRE!

Your help is greatly appreciated. Please take the following steps.

- Place your questionnaire in the pre-paid envelope provided and seal it.
- Fill out the enclosed **Survey Response** Card so we will know you've completed a survey.
- Mail the questionnaire and Response Card separately to assure your anonymity.
