BodyWorks Parent/Caregiver Pre-Test Survey

The Office on Women's Health is trying to find out how well the BodyWorks program helps you, your daughter(s), and the rest of your family. You will help improve the program by taking this survey.

This survey will take you about 30 minutes to complete. It includes questions about health habits and the *BodyWorks* program that relate to you, your daughter(s), and your family. When the survey asks you about "your daughter", please think of your daughter who will be participating in *BodyWorks for Teens* as you answer. If you have more than one daughter participating, *please think of the oldest*. Your survey answers are confidential.
