## **BodyWorks Parent/Caregiver Post-Test Survey**

The Office on Women's Health is trying to find out how well the BodyWorks program helps you, your daughter(s), and the rest of your family. You will help improve the program by taking this survey.

This survey will take you about 30 minutes to complete. It includes questions about health habits and the *BodyWorks* program that relate to you, your daughter(s), and your family. When the survey asks you about "your daughter", please think of your daughter who will be participating in *BodyWorks for Teens* as you answer. If you have more than one daughter participating, *please think of the oldest*. Your survey answers are confidential.

Parent/Caregiver Initials						
Please write down your FIRST and LAST Initials:  [Example: Jane Smith would write J.S.]  First Initial  Last Initial						
Date of Birth of Daughter(s) in BodyWorks Program						
	RTH of your daughter(s) participating					
DAUGHTER #1:	vas born on May 22, 1995, write: <u>05/</u> Daughter #2 (IF APPLICABLE):	DAUGHTER #3 (IF APPLICABLE):				
BAGGITER # 1.	Broomer "2 (" rur elorible).	Broomer no (ii mi reionsee).				
/	/	/

Location						
In what city do you live? (Choos	e one.)	☐ City 3				
	w best describes how you feel rigl	ht now about making changes to				
your eating and exercise habits?	•					
☐ I have not given any thoug		as a settle at finance in a second				
	g changes in the future, perhaps six					
_	e changes soon, perhaps within the r	next month				
	now ges and am working on maintaining	my now habits				
I mave alleady made chang	ges and an working on maintaining	my new nabits				
2. How motivated are you to make	ke changes to your eating and exe	ercise habits? (Choose one.)				
☐ Not motivated at all		,				
☐ Somewhat motivated						
☐ Motivated						
□ Very motivated						
☐ I do not need to make cha	nges					

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0990-. The time required to complete this information collection is estimated to average (hours)(minutes) per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: U.S. Department of Health & Human Services, OS/OCIO/PRA, 200 Independence Ave., S.W., Suite 537-H, Washington D.C. 20201, Attention: PRA Reports Clearance Officer

3a. For each activity, choose one response on a scale of 1 (not at all a priority) to 4 (high priority).	Not At All A Priority	Low Priority	Priority	High Priority
How much of a priority to YOU is	(1)	(2)	(3)	(4)
Consuming foods and drinks that are high in calcium and vitamin D as part of regular meals and snacks every day?				
b. Doing different kinds of physical activities?				
c. Exercising for the amount of time recommended for adults?				
d. Setting goals and writing in a journal about my eating and activity habits?				
e. Planning, shopping, and making healthy meals and snacks for my family?				
f. Preventing osteoporosis later in life?				
3b. For each activity, choose one response on a scale of 1 (not at all a priority) to 4 (high priority).  How much of a priority to you as a PARENT/ CAREGIVER is it that your daughter	Not At All A Priority (1)	Low Priority (2)	Priority (3)	High Priority (4)
Consume foods and drinks that are high in calcium and vitamin D as part of regular meals and snacks every day?				
b. Do different kinds of physical activities?				
c. Exercise for the amount of time recommended for children and teens every day?				
d. Set goals and write in a journal about her eating and activity habits?				
e. Help plan, shop for, and make healthy meals and snacks with me?				
f. Build strong bones during childhood and adolescence to prevent osteoporosis later in life?				
Below is a list of common reasons, or barriers, why people say they do not exercise. For each barrier, choose one response on a scale of 1 (very hard) to 4 (this is not a barrier for me at all).  4. Think back to the last month. How hard was it for you to overcome these barriers so you could exercise?	Very hard (1)	Somewhat hard (2)	Not very hard (3)	This is not a barrier for me at all (4)
a. I am too tired.				
b. I don't have time.				
I don't like to exercise.  d. I don't like the way I look or feel in exercise clothes.				
I don't have a place to exercise or the right equipment.				
f. I don't feel safe exercising outdoors where I live.				
g. I don't have anyone to exercise with.				

5. By age, females have built most of their bone mass (how solid and strong bones are from the inside) for the rest of their lives. (Choose one.)  5 yrs 13 yrs 18 yrs 30 yrs 55 yrs  6. What, if anything, can pre-teen and teen girls do to build strong bones? (Choose one or more.)						
6. What, if anything, can pre-teen and teen girls do to build strong bones? (Choose one or more.)						
C Drink and a daily						
<ul> <li>□ Drink soda daily</li> <li>□ Consume foods and drinks high in calcium and vitamin D daily</li> <li>□ Exercise daily for the recommended amount of time</li> <li>□ Get a lot of rest daily</li> <li>□ Avoid smoking, alcohol, and caffeine</li> </ul>						
7. When reading a food label you should look for the serving size to determine how much is an appropriate amount to eat. (Choose one.)						
□ True □ False						
8. Eating smaller portion sizes is one way to reach or keep a healthy weight. (Choose one.)						
□ True □ False						
9. The dangers of unhealthy dieting for pre-teen and teen girls can be: (Choose one.)  \[ \text{ Not getting enough nutrients to grow and develop} \[ \text{ Greater risk for weaker bones and osteoporosis later in life} \[ \text{ Greater risk for an eating disorder} \[ \text{ All of the above} \] \[ \text{ None of the above.} There is no such thing as an unhealthy diet.}						

	r each activity, choose one response on a scale 1 (not sure at all) to 4 (very sure).	Not At All Sure	Not Very Sure	Sure	Very Sure
10	How sure are you that you can	(1)	(2)	(3)	(4)
a.	Talk with my family about how we can eat healthier foods and be more physically active each day?				
b.	Choose healthier foods and drinks at home including foods with calcium and vitamin D?				
C.	Choose healthier food and drinks at restaurants, including fast food restaurants?				
d.	Limit computer and TV time for my family so that we can spend more time being active?				
e.	Plan what physical activities my family will do for the week?				
f.	Plan for, shop, and make healthy meals for my family each week?				
g.	Understand nutrition labels on food packaging				
h.	Exercise, including bone-strengthening physical activities				
i.	Describe about how the media (TV, Radio, Internet) may affect my health habits?				

	11. How many minutes of DAILY physical activity are recommended for pre-teen and teen girls to stay healthy? (Choose one.)									
	☐ 20 minutes	☐ 30 minutes	☐ 45 minutes	1 45 minutes ☐ 60 minutes ☐ 90 minutes						
	12. How many days per week of bone-strengthening activity are recommended for pre-teen and teen girls to build strong bones? (Choose one.)									
□ 1 Day □ 2 Days □ 3 Days □ 4 Days □ 5 Days										
	13. How many milligrams (mg) of calcium are recommended DAILY for pre-teen and teen girls to build strong bones and stay healthy? (Choose one.)									
	□ 200 mg	□ 500 mg	□ 750 mg	□ 900 mg	□ 13	300 mg				
	How many internals to build strong b				nded DAI	LY for pr	e-teen an	d teen		
	□ 100 IU	□ 200 IU	□ 300 IU	□ 400 IU	□ 50	00 IU
