Federal Emergency Management Agency

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice; 60-day notice and request for comments; Revision of a currently approved collection, OMB Number: 1660-0069, National Fire Incident Reporting System (NFIRS) v5.0.

SUMMARY: The Federal Emergency Management Agency, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on a revised information collection. In accordance with the Paperwork Reduction Act of 1995, this notice seeks comments concerning the continued use of the National Fire

Incident Reporting System (NFIRS) v5.0 database.

SUPPLEMENTARY INFORMATION: The National Commission on Fire Prevention and Control conducted a comprehensive study of the Nation's fire problem and recommended to Congress actions to mitigate the fire problem, reduce loss of life and property, and educate the public on fire protection and prevention. As a result of the study, Congress enacted Public Law 93-498, Federal Fire Prevention and Control Act of 1974, which establishes the U.S. Fire Administration to administer fire prevention and control programs, supplement existing programs of research, training, and education, and encourage new and improved programs and activities by State and local governments.

Section 9(a) of the Act authorizes the Administrator, U.S. Fire Administration (USFA), to operate directly or through contracts or grants, an integrated, comprehensive method to select, analyze, publish, and disseminate information related to prevention,

occurrence, control, and results of fires of all types.

Collection of Information

Title: National Fire Incident Reporting System (NFIRS) v5.0.

Type of Information Collection: Revision of a currently approved collection.

OMB Number: 1660-0069.

Form Numbers: The National Fire Incident Reporting System (NFIRS) v5.0.

Abstract: NFIRS provides a mechanism using standardized reporting methods to collect and analyze fire incident data at the Federal, State, and local levels. Data analysis helps local fire departments and States to focus on current problems, predict future problems in their communities, and measure whether their programs are working.

Affected Public: State, Local or Tribal Government.

Estimated Total Annual Burden Hours: 10,769,720 burden hours.

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice; 60-day notice and request for comments; Revision of a

currently approved collection, 1660-0045, No Forms.

SUMMARY: The Federal Emergency Management Agency, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on a revised information collection. In accordance with the Paperwork Reduction Act of 1995, this notice seeks comments concerning the collection of information to assure appropriate flood insurance rates being placed on the affected public within Monroe County in Florida.

SUPPLEMENTARY INFORMATION: Title 44 CFR Parts 59 and 61, National Flood Insurance Program (NFIP); Inspection of Insured Structures by Communities implements the inspection procedures in Monroe County, the City of Marathon, and the Village of Islamorada, Florida and any other community that incorporates in Monroe County on or after January 1, 1999. The inspection procedure has two major purposes: (1) To help the communities of Monroe County, the City of Marathon, and the Village of Islamorada, Florida, and any other communities in Monroe County that incorporate after January 1, 1999, verify that structures in their communities (those built after the effective date of the Flood Insurance Rate Map (FIRM)), referred to as post-FIRM, comply with the community's

floodplain management ordinance; and (2) to ensure that property owners pay flood insurance premiums commensurate with their flood risk. The inspection procedure requires owners of insured buildings (policyholders) to obtain an inspection from community floodplain management officials and submit a community inspection report as a condition of renewing the Standard Flood Insurance Policy (SFIP) on buildings.

Collection of Information

Title: Inspection of Insured Structures by Communities.

Type of Information Collection: Revision of a currently approved collection.

OMB Number: 1660-0045.

Form Numbers: No Forms.

Abstract: The community inspection report is used for the implementation of the inspection procedures to help communities in Monroe County, the City of Marathon and the Village of Islamorada, Florida verify buildings are compliant with their floodplain management ordinance and to help FEMA ensure that policyholders are paying flood insurance premiums that are commensurate with their flood risk.

Affected Public: Individuals and Households, State, local and Tribal governments.

Estimated Total Annual Burden Hours: 1,041 hours.
