We remind stations that they must obtain Commission approval to operate a post-transition digital facility prior to June 13, 2009.) **(If this button is selected, go to question 5.)**

[NOTE to Question 2: The following question applies only to stations that will terminate analog television service on the June 12, 2009 transition deadline.]

2.a. Statutory analog nighttime service. If the above-referenced station is determined by the FCC to be eligible to participate in the statutory analog nighttime program (*i.e.*, for up to 30 days after the June 12, 2009 transition deadline), does the station intend to provide statutory analog nighttime service?

(Note: Statutory analog nighttime service must be provided for no more than 30 days, but no less than two weeks, after the June 12, 2009 transition deadline.)

YES ___ NO ___

2.b. If YES, the station will provide statutory analog nighttime service from June 13, 2009 until the following date, which must fall between June 26 and July 12, 2009, inclusive: MM/DD/2009.

Go to Question 7.

[NOTE to Question 3: The following certification applies only to Noncommercial Educational (NCE) stations that will terminate analog television service before April 16.]

3. NCE Early Termination Certification. Each Noncommercial Educational (“NCE”) station that will terminate analog television broadcast signals before April 16 must, as a condition of such early analog termination, certify as follows:

◦ Licensee CERTIFIES that the above-referenced NCE station must terminate analog television service before April 16 due to significant financial hardship.

Go to Question 4.

[NOTE to Question 4: The following question applies only to stations that are NOT major network affiliates and that will terminate analog television service early, i.e., before the June 12, 2009 transition deadline.]

4.a. Informal analog nightlight service. After this station’s analog termination date, as indicated above, does this station intend to provide informal analog nightlight service, i.e., the station will continue broadcasting in analog to provide only DTV transition information and, if necessary, emergency information?

YES ___ NO ___

4.b. If YES, the station will provide such informal analog nightlight service until the following date, which must be no later than the June 12, 2009 transition deadline:
MM/DD/2009.

[NOTE to Question 5: The following question applies only to stations that ARE major network affiliates and that will terminate analog television service early, i.e., prior to the June 12, 2009 transition deadline.]

5. Major Network Affiliate Early Termination Certification. Each major network affiliate station that will terminate analog television broadcast signals prior to the June 12, 2009 transition deadline must, as a condition of such early analog termination, CERTIFY to one of the following statements:

Choice 5a) ◦ Licensee CERTIFIES that the above-referenced station will **ITSELF** fully comply with each of the **public interest related conditions**² for early analog termination set forth in the Commission Report and Order, FCC 09-XX, adopted March 13, 2009. **(If this button is selected, go to Question 7.)**

² Make this text a hyperlink to the Public Interest Conditions for Early Analog Termination (to be provided with the March Order)

Choice 5b) ◦ Licensee CERTIFIES that the above-referenced station will cooperate with one or more **major network** affiliated station(s) to fully comply with the **public interest related conditions**³ for early analog termination set forth in the Commission Report and Order, FCC 09-XX, adopted March 13, 2009. A station may cooperate with regard to one or more of the following three public interest conditions, but must itself comply with all other conditions in the Order.

(If this button is selected, go to question 6.)

Choice 5c) ◦ Licensee CERTIFIES that the above-referenced station will **NOT** comply with the **public interest related conditions** for early analog termination set forth in the Commission Report and Order, FCC 09-XX, adopted March 13, 2009, because at least 90% of the population in its Grade B contour will receive **continuing full analog service until June 12, 2009** from the following major network affiliated station(s):

_____ (List licensee name(s), call sign(s) and location(s).)

(If this button is selected, go to Question 7.)

Choice 5d) ◦ Licensee CERTIFIES that the above-referenced station will **NOT** comply with the **public interest related conditions** for early analog termination set forth in the Commission Report and Order, FCC 09-XX, adopted March 13, 2009, but instead makes the alternative showing of **extraordinary, exigent circumstances** in the attached required **EXHIBIT** and seeks Commission approval for early analog termination on this basis.

[Ex No.]

(Note: The showing in the attached exhibit must not exceed five (5) pages, not including attachments.)

(If this button is selected, attach the required exhibit and then go to Question 7.)

[NOTE to Questions 6: The following question applies only to major network affiliate stations selecting “Choice 5b” (i.e., the station may cooperate with regard to one or more of the three public interest conditions) in response to question 5, above.]

6. Each major network affiliate station that intends to cooperate with other local major network affiliates to comply with one or more of the following three public interest related conditions⁴ for analog termination must select one option in each of the following three sections, below.
