Explanation of Values for Performance Reports																						
Year 1.																						
Of the 110 grantees:																						
27 complete their FS in less than 6 months																						
28 Complete their FS in 12 months																						
28 Complete their FS in 18 months																						
27 complete their FS in 24 months																						
Based on above:																						
Total number of semiannual PRs in Year equal:																						
Total number of final PR in Year equal:																						
Year 2.																						
Of the 220 grantees:																						
55 complete their FS in less than 6 months																						
55 Complete their FS in 12 months

Footnotes:																						
Applicants Assumes 177 applicants apply for feasibility study grants.																						
Grantees Assumes 110 applicants are awarded grants.																						
Performance Report - Semiannual Assumes one semiannual report would be submitted in year 1 from 3/4 of the grantees.																						
Performance Report - Final Assumes a final performance report would be submitted in year 1 from 1/4 of the grantees.																						
Annual Status Report - Other Reports Not applicable because these reports are required one year after completion of the feasibility study. The earliest such would occur is in year 2.																						
Recordkeeping Assumes 50% of those submitting final performance reports will need to provide information under this burden item.																						
Recordkeeping All 110 grantees would be responsible for recordkeeping in year 1.

Footnotes:																						
Applicants		Assumes twice as many applicants apply in year 2 than in year 1 (177 x 2 = 354)																				
Grantees		Assumes twice as many grantees are awarded grants in year 2 than in year 1 (110 x 2 = 220).																				
Performance Report - Semiannual		Assumes 28 of the 110 first year grantees each generate one semiannual PR in year 2, 27 of the 110 first year grantees each generate two semiannual PRS in year 2, and three-quarters (165) of the 220 second year grantees each generate one semiannual PR in year 2.																				
Performance Report - Final		Assumes 55 of the 110 first year grantees and 55 of the 220 second year grantees each generate one final PR in year 2.																				
Annual Status Report		Assumes 50% of the 110 grantees complete their FS within one year. These 55 submit their first annual status report in year 2.																				
Other Reports		Assumes 50% of those submitting final performance reports will need to provide information under this burden item.																				
Recordkeeping		Includes all 220 grantees in year 2 plus 55 grantees from year 1 who did not complete their feasibility study within one year.

Footnotes:																						
Applicants	Assumes three as many applicants apply in year 3 than in year 1 (177 x 3 = 531)																					
Grantees	Assumes three times as many applicants are awarded grants in year 3 than in year 1 (110 x 3 = 330).																					
Performance Report - Semiannual	Assumes 55 of the 220 second year grantees each generate one semiannual PR in year 3, 55 of the 220 second year grantees each generate two semiannual PRS in year 3, and three-quarters (248) of the 330 third year grantees each generate one semiannual PR in year 3.																					
Performance Report - Final	Assumes 27 of the 110 first year grantees, 110 of the 220 second year grantees, and 82 of the 330 third year grantees each generate one final PR in year 3.																					
Annual Status Report	All 110 first year grantees submit an annual status report in year 3. Assumes 50% of the 220 second year grantees complete their FS within one year. These 110 submit their first annual status report in year 3.																					
Other Reports	Assumes 50% of those submitting final performance reports will need to provide information under this burden item.																					
Recordkeeping	Includes all 330 grantees in year 3 plus 110 grantees from year 2 who did not complete their feasibility study within one year.
