Westat, a social science research company, needs individuals who have been a victim of a crime during the last 12 months to participate in an automated telephone interview for a crime study. Adults, ages 18 and over, men and women, are encouraged to participate. We are particularly interested in men and women who have up to a high school education or did not complete high school. The interview will take place in Rockville, MD and last about approximately 1 hour. If you are interested, send an email to Recruiter@Westat.com or call **1-800-937-8281, Ext. xxxx** and include your name, telephone number, email address and the best time to reach you. This is a Federally-sponsored study.
