SUPPORTING STATEMENT (Form 8508)

CIRCUMSTANCES NECESSITATING COLLECTION OF INFORMATION

Section 6011(e)(2)(A) of the Internal Revenue Code, as amended by Section 7713 of the Revenue Reconciliation Act of 1989, Pub. L. 101-239 (1989), 103 Stat. 2106, requires certain filers of information returns to report these on magnetic media. Filers who seek relief from this requirement can use Form 8508 to request a waiver for a specific period of time. IRS will review the information contained on Form 8508 to make a determination as to approval.

USE OF DATA

Form 8508 is used by filers to apply for a waiver from the requirement to file information returns on magnetic media. IRS examines the information submitted to determine whether or not the filer should be given a waiver.

USE OF IMPROVED INFORMATION TECHNOLOGY TO REDUCE BURDEN

Form 8508 cannot be filed electronically, since its relatively low volume does not justify the cost electronic enabling.

Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

OMB EXPIRATION DATE

We believe the public interest will be better served by not printing an expiration date on the form(s) in this package.

Printing the expiration date on the form will result in increased costs because of the need to replace inventories that become obsolete by passage of the expiration date each time OMB approval is renewed. Without printing the expiration date, supplies of the form could continue to be used.

The time period during which the current edition of the form(s) in this package will continue to be usable cannot be predicted. It could easily span several cycles of review and OMB clearance renewal. In addition, usage fluctuates unpredictably. This makes it necessary to maintain a substantial inventory of forms in the supply line at all times. This includes supplied owned by both the Government and the public. Reprinting of the form cannot be reliably scheduled to coincide with an OMB approval This form may be privately printed by users at expiration date. their own expense. Some businesses print complex and expensive marginally punched continuous versions, their expense, for use in their computers. The form may be printed by commercial printers and stocked for sale. In such cases, printing the expiration date on the form could result in extra costs to the users.

Not printing the expiration date on the form(s) will also avoid confusion among taxpayers who may have identical forms with different expiration dates in their possession.

For the above reasons we request authorization to omit printing the expiration date on the form(s) in this package.
