* Report in Column B the number of participants who were unemployed at entry and who had a main or secondary goal of obtaining employment and who exited during the program year. Do not exclude students because of missing Social Security numbers or other missing data.

** Report in Column B: (1) the number of participants who were unemployed at entry and who had a main or secondary goal of employment **who exited during the program year** and who entered employment by the end of the first quarter after program exit and (2) the number of participants employed at entry who had a main or secondary goal of improved or retained employment who exited during the program year.

*** Report in Column B the number of participants with a main or secondary goal of passing GED tests or obtaining a secondary school diploma or its recognized equivalent who exited during the program year.

**** Report in Column B the number of participants with a main or secondary goal of placement in postsecondary education or training who exited during the program year.

If survey is used, then the number in Column C should equal the number in Column B *unless random sampling was used*. If one or more local programs used random sampling, then enter in Column C the total number of students included in the survey. *If data matching is used*, then Column C should be left blank.

If survey is used, then the number in Column D should be less than Column C, unless there was a 100-percent response rate to the survey. *If data matching is used*, then the number reported in Column D should be the total number of records available for the data match. That number is normally less than the

number in Column B. (If the numbers in these two columns are equal, then it means that all Social Security numbers are valid and that there are no missing Social Security numbers.)

Column E = $\frac{\text{Column D}}{\text{Column B}}$, unless one or more programs used random sampling. If random sampling was used, see Appendix C of the *NRS Survey Guidelines* for further instructions on reporting.

In Column F, the number should be equal to or less than the number in Column D.

Column G is the number in Column F divided by the number in Column D. Column G should never be greater than 100 percent. If the response rate is less than 50 percent (Column E), then the percent reported in Column G is not considered valid.

For reporting completion of Educational Functioning Level:

* Report in Column *B* for this row all family literacy program participants who received 12 or more hours of service. Column *F* should include all participants reported in Column *B* who advanced one or more levels.

Compute Column *G* for this row using the following formula: $G = \frac{\text{Column } F}{\text{Column } D}$

For reporting Followup Measures:

Follow instructions for completing Table 5 to report these outcomes. However, include only family literacy program participants in Table 8.

Achievement of one or more of the increased involvement in children's education or children's literacy activities measures should be counted only once per participant. However, the specific outcome should be recorded in the subcategory and more than one outcome may be reported, so that the total for the three subcategories may be greater than the total reported for the overall category. For example, a participant who helped more frequently with schoolwork and increased contact with child's teachers would be recorded in both categories but would be counted only once in the overall category of "increased involvement in children's education."

GRANTEE DEFINITIONS FOR TABLE 14

Local Education Agencies are publicly funded entities designated to administer and provide primary and secondary education instruction and services within a city, county, school district, township or region.

Community-based Organizations (CBOs) are private nonprofit organizations of demonstrated effectiveness that are representative of a community or significant segment of a community.

Faith-based Organizations (FBO) are non-profit organizations associated with a faith community or multiple faith ministries.

Libraries are public state and community funded institutions that offer education and community services in addition to providing access to print, audio-visual and technology resources.

Community, Junior or Technical Colleges are public institutions of higher education that offer associate's degree and certificate programs but, with few exceptions, award no baccalaureate degrees.

Four Year Colleges or Universities are a public or private non-profit institution of higher education that primarily offers baccalaureate degree programs.

Other Institution of Higher Education is a public or private non-profit institution that is not a community, junior, or technical college or a four-year college or university.

Correctional Institutions refer to state or federal penal institutions for criminal offenders. These include prisons, jails, and other correctional detention centers.

Other Institutions (Non-Correctional) are any medical or special institutions not designed for criminal offenders.

All Other Agencies include other public (federal, state, local) agencies not listed in the categories above.

U.S. Department of Education
Office of Vocational and Adult Education
Adult Education and Family Literacy Act of 1998
Basic Grants to States—CFDA 084.002

A separate set of Financial Status Report (FSR) forms are to be used for each Federal Funding Period as reported in Block 8 of the FSR for Adult Education.

Instructions for Completing the FSR.

Block

1. This block is preprinted.
2. PR/Award numbers as indicated in Block 5 of the Grant Award Notifications for the Basic Grants to States.
3. Grant recipient submitting report.
4. Enter DUNS/SSN Identifying number in Block 8 of the Grant Award Notification.
5. For optional use for those agencies needing cross-reference identification.
6. Check **Yes** if this is the **Final** report for a grant award and there are no amounts reported in column **h** (unliquidated obligations). The report is final when there are no additional outlays or obligations against the grant award and all existing obligations have been liquidated.
7. Identify the accounting basis used by the Grantee. If the modified accrual basis is used, it should be so indicated by adding the word “modified” in this block.
8. Enter Federal Funding Period based on information obtained in Block 6 of the Grant Award Notification.
9. Enter the beginning and ending dates of the period in which you are reporting the financial activity of the grant. A first year report will cover the first 15 months of the grant period e.g., July 1, 2002 through September 30, 2003. The final report will cover the entire 27 months, which grantees have to obligate their funds e.g., July 1, 2001 through September 30, 2003.
10. The Columns **(a)** through **(f)** contain preprinted headings for reporting expenditures. The following are explanations of what expenditures should be reported in each column.

Column (a). State Administration. Report State administrative expenditures authorized Section 222 (a)(3) of the Adult Education and Family Literacy Act (AEFLA).

Column (b). State Leadership. Report expenditures authorized in section 222 (a)(2) and described in section 223 of AEFLA.

Columns (c) and (d), Programs of Instruction. Report all expenditures made by local eligible providers in conducting basic education and English literacy (column c), and secondary education programs of instruction (column d), including expenditures for institutionalized persons.

Column (f). Institutionalized. Report expenditures for programs for institutionalized persons. These expenditures will also appear in columns (c) and (d).

- 10a. In the first year report of the grant award, this column must be zero. In the final report, the amount reported should be the same as the amount reported on line 10e of the first year report made for the same grant award. If there has been an adjustment of the amount shown previously, attach explanation. For reports made on a cash basis, outlays are the sum of actual cash disbursements for goods and services, the amount of indirect expense charged, the value of in-kind contributions applied, and the amount of cash advances and payments made to contractors and subgrantees. For reports prepared on an accrued expenditure basis, outlays are the sum of actual cash disbursements, the amount of indirect expense incurred, the value of in-kind contributions applied, and the net increase (or decrease) in the amounts owed by the recipient for goods and other property received and for services performed by employees, contractors, subgrantees, and other payees, and **other** payees, and other amounts becoming owed under programs for which no current services or performances are required, such as annuities, insurance claims, and other benefit payments.
- 10b. Total outlays, including any state and local outlays, for the report period indicated in Item 9.
- 10c. Program credits must be included on this line and are to be used to reduce total outlays.
- 10d. Line b minus line c.
- 10e. Line a plus line d.
- 10f. Enter amount of non-federal outlays reported in line b.
- 10g. Line e minus line f.
- 10h. All unliquidated obligations as of the end of the reporting period.
- 10i-j. Unliquidated obligations are—
- Cash basis—obligations incurred but not paid
 - Accrued expenditure basis—obligations incurred but for which an outlay has not been recorded.

Do not include any amounts that have been included on Lines a through g. Include unliquidated obligations to subgrantees and contractors.

If the report is final, it should not contain any unliquidated obligations.

- 10k. Line g plus line j.
- 10l. The amount of Federal funds awarded, per the cumulative amount in Block 7 of the Grant Award Notification.
- 10m. Line l minus line k.
- 11a. Self-explanatory
- 11b. Enter the indirect cost rate in effect during the reporting period. If more than one rate was applied during the reporting period, include a separate schedule showing the bases against which the indirect cost rates were applied.
- 11c. Enter amount of the base to which the rate was applied.
- 11d. Enter total amount of indirect cost charged during the reporting period.
- 12. Include any remarks necessary to explain any specifics in the report. Attach additional information if needed.
- 13. The Executive Officer, or designee, of the Grant recipient, as appropriate, must certify the report.

Financial Status Reports are due on December 31 of each year. Reports should be submitted electronically via the online NRS reporting system. A paper copy with original signatures must be mailed to the following address:

Financial Reporting Requirements for EL-Civics Funding

States expending EL-Civics funds under the conditions outlined in Program Memorandum 2000–19, issued by Ronald S. Pugsley on May 16, 2000, shall report those expenditures as follows:

In addition to submitting an annual FSR reporting all Federal and non-Federal expenditures, including those for EL-Civics, a separate FSR for EL-Civics expenditures is also required. This EL-Civics FSR, which represents a sub-total of the overall report, will provide the necessary information to determine that EL-Civics expenditures were in compliance with existing statutory requirements. A specially identified EL-Civics FSR is included for your use.
