Report of Anticipated Shortage of Electric Energy or Capacity

I am an Auditor for the Office of Enforcement. We are trying to make sure that all the public utilities properly reported the power shortages. Please let me know who I can contact regarding obtaining a listing of companies that filed shortages.

ISO New England will be cancelling the Reserve Shortage Condition as of 18:30

ISO New England is experiencing deficiencies in Operating Reserve and is implementing a Reserve Shortage Condition in all zones including the state of Maine. This condition is expected to exist for the following date and hours:

ISO New England is experiencing deficiencies in Operating Reserve and is implementing a Reserve Shortage Condition in all zones except the state of Maine. This condition is expected to exist for the following date and hours:

Report of Anticipated Shortage of Electric Energy or Capacity

Per Order No 659,

As of 1421 this afternoon, PJM reports that it has issued a 5% voltage reduction for the following areas: Baltimore Gas & Electric, PEPCO, Dominion, Potomac Edison portion of Allegheny Power, Public Service, PECO Energy, eastern portion
