

**Background Supporting Information for FERC-725:** The following contains links to some sample filings and related index information (in FERC's eLibrary system):

- initial application submitted to FERC to become the ERO and a contemporaneous application of proposed Reliability Standards
- application to establish a Regional Advisory Board
- ERO compliance filing
- proposed delegation agreements between ERO and some proposed Regional Entities
- 2 ERO applications for approval of various violation risk factors
- Request from ERO for Acceptance of 2009 Business Plans and Budgets of ERO and Regional Entities
