

Interview Questions for the NCA CASI School Accreditation Quality Assurance Review Visit

For Students

The following Agency Disclosure Notice and Privacy Notice will be read to the participants.

Agency Disclosure Notice. This information collection is authorized by OMB # 0704-TBD, expiration date [Insert expiration date]. The public reporting burden for this collection of information is estimated to average 45 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Comments can be sent regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Research and Evaluation Branch [OMB control # 0704-TBD]. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.

Privacy Notice. Your responses to these questions are voluntary and there is no penalty if you choose not to respond. However, maximum participation is encouraged so that the data will be complete and representative. The purpose of these group interviews is to identify school-related issues to be addressed through the school improvement process. We will not collect or record information that could be used to identify specific individuals that participate in these interviews. In any release of results, no information will be disclosed that could be used to identify specific subgroups of individuals if that information would reveal the identity of the participants.

The following focus questions may be considered during the interview process:

Standard 1 -- Vision

1. What would you like others to know about your school?
2. Some schools have statements that express their mission, their beliefs, or their vision for the future. How about your school? Does it have a vision statement, a mission statement, or a statement of beliefs? Tell me more about it.
3. Were you involved in creating the (vision statement/mission statement/statement of beliefs)? How were you involved?
4. How do the students know the (vision, mission, and/or belief statements) at your school?

Standard 2 -- Governance And Leadership

1. Think about the rules, procedures, and policies at your school. How do students know about these rules, procedures, and policies?
2. Are you able to share your ideas and concerns about your school with the principal or your teachers?
If so, please explain how.
3. What leadership opportunities are available for students?

Standard 3 -- Teaching and Learning

1. How do you know what you are to learn each school year?
2. How are actively involved in learning in the classroom?

Interview Questions for the NCA CASI School Accreditation Quality Assurance Review Visit
