

DEPARTMENT OF DEFENSE  
6000 DEFENSE PENTAGON  
WASHINGTON, DC 20301-6000

CHIEF INFORMATION OFFICER

MAY 05 2009

Mr. Kevin Neyland  
Deputy Administrator  
Office of Information and Regulatory Affairs  
Office of Management and Budget  
Washington, DC 20503

Dear Mr. Neyland:

In accordance with title 5 Code of Federal Regulations (CFR) Act, Part 1320.13, "Emergency Processing," the Department of Defense, Office of the Under Secretary of Defense for Acquisition, Technology, and Logistics USD(AT&L) requests emergency processing and approval of a public information collection requirement. The Paperwork Reduction Act submission package and the Statement of Determination for emergency processing are at Enclosure 1 and Enclosure 2 respectively.

The Department of Defense cannot reasonably comply with the normal clearance procedures under title 5, CFR, Part 1320.13, since such procedures would delay compliance with section 861(b)(4) of the National Defense Authorization Act for Fiscal Year 2008 (Public Law 110-181). The use of normal procedures under title 5, CFR, Part 1320.13 is likely to delay or disrupt the collection of the information. The information collection is essential to the mission of the Department. We request emergency approval by May 8, 2009.

The point of contact for this action is Ms. Patricia Toppings, the DoD Clearance Officer, at 703-696-5284.

Sincerely,

A handwritten signature in black ink, appearing to read "David M. Wennergren", written over a horizontal line.

David M. Wennergren  
DoD Deputy Chief Information Officer

Enclosures  
As stated
