NOTICE - Public reporting burden of this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road, MS D-74, Atlanta, GA 30333, ATTN: PRA (0607-0725).

Assurance of Confidentiality - All information which would permit identification of an individual, a practice, or an establishment will be held confidential, will be used only by NCHS staff, contractors, and agents only when required and with necessary controls, and will not be disclosed or released to other persons without the consent of the individual or the establishment in accordance with section 308(d) of the Public Health Service Act (42 USC 242m) and the Confidential Information Protection and Statistical Efficiency Act (PL-107-347). By law, every employee as well as every agent has taken an oath and is subject to a jail term of up to five years, a fine of up to \$250,000, or both if he or she willfully discloses ANY identifiable information about you.

National Ambulatory Medical Care Survey (NAMCS):

Electronic Medical Records Supplement 2009

The purpose of the National Study of Electronic Medical Records/Electronic Health Records (EMR/EHR) is to collect information about physician office practices and the adoption of electronic medical records in ambulatory care settings. Your participation is greatly appreciated. Your answers are completely confidential. Participation in this survey is voluntary. If you have questions or comments about this survey, please call 866-635-4515.

1. We have your specialty as

Is that correct?

- □1 Yes
- \Box_2 No \rightarrow What is your specialty?

The following questions ask about **<u>ambulatory patients</u>**. We define ambulatory patients as any patients coming to see you for personal health services who are not currently on the premises.

2.	Do you directly care for any ambulatory patients in your work?		The next set of questions asks about a <u>normal week</u> . We define a normal week as a week with a normal case load, no holidays, vacations, or conferences.
3.	□1 Yes Continue to Question 3. □2 No Please stop here and return the questionnaire in the envelope provided. Thank you for your time. □3 I am no longer in practice In a typical year, about how many weeks do you NOT see any ambulatory patients because of such events as conferences, vacations, illness, etc.?	4. 5. 6.	Overall, at how many office locations do you see ambulatory patients in a normal week? locations During your last normal week of practice how many patient visits did you have at all locations? visits

			3. Hospital visi	ts
			4. Telephone consults	-
			5. Internet / e-r	nail -
		u see ambulatory patients in any of the ring settings? CHECK ALL THAT APPLY.	For the remaining questions, please answer regard the reporting location indicated in question 9 eve	
	1	Private solo or group practice	it is not the location where this survey was sent.	
	2	Freestanding clinic/urgicenter (not part of a hospital outpatient department)	10. What are the county, state, zip code and telep number of the <i>reporting location</i> ?	hone
	□3	Community Health Center (e.g., Federally Qualified Health Center (FQHC), federally funded clinics or "look alike" clinics)	County State	
	4	Mental Health Center	Zip Code	
	□5	Non-federal Government clinic (e.g., state, county, city, maternal and child health, etc.)	Telephone () -	
	6	Family planning clinic (including Planned Parenthood)	11. During your last <u>normal</u> week of practice, approximately how many office visits did you at the reporting location? (A normal week wou
