COMPANY NAME
ADDRESS 1
ADDRESS 2
CITY, ST 99999-9999

We informed you earlier that the wage reports we have for your employees may not be correct. We asked you for information to help us correct them, but we have not heard from you. It is important that we receive this information promptly.

~~NOTE: Effective January, 2008 SSA will no longer accept magnetic media submissions. We encourage you to file your wage reports electronically, using Business Services Online (BSO). Additional information on wage reporting can be obtained by accessing our employer reporting website at: www.socialsecurity.gov/employer.~~

What We Found

The Form W-2 wage totals on our records and the wage totals on your IRS Forms 941, 943, 944 or Schedule H do not match for the year shown on the enclosed questionnaire. There may be several reasons why these totals do not match. We may not have received all the Forms W-2 that are due or you may have reported smaller W-2 wage amounts to us than you reported to IRS.

What You Should Do

Please check your records to make sure you have correctly reported your employees' wages or to see if there is any other reason for the different wage totals. Then, fill out the enclosed questionnaire and return it with the requested information within 45 days.

Return Envelope

About the Questionnaire

Page 2 of 5

If the questionnaire shows only IRS wage totals, it means we do not have copies of any Form W-2 wage reports for your employees for that year. Otherwise, it shows that the Form W-2 wage totals we have in our records are less than those on the Forms 941, 943, 944 or Schedule H returns you filed with IRS.

We've also enclosed a self-addressed envelope. If you cannot use the envelope, please mail the completed questionnaire and requested information only to:

Social Security Administration
Metro West
P.O. Box 33021
Baltimore, Maryland 21290-3021

We cannot correct your employees' wage records unless you give us the information that we requested. This information is important because it could affect your employees' rights to future Social Security benefits and the amount of those benefits. Please make sure that the information you give us will resolve the problem. You should keep your wage records for the tax year in question for the next four years.

If We Do Not Receive This Information

If you do not send the requested information to correct your employees' wage records or contact us within 45 days, we must refer this matter to IRS. If the IRS finds that you made a reporting error, IRS may charge penalties of up to \$100 per missing Form W-2 or 10 percent of the amount of income reported, whichever is greater.

If You Have Any Questions

If you have any questions, please write to us at the above address or call us at 1-800-772-6270 between 7:00 A.M. and 7:00 P.M., Eastern time, Monday through Friday.

The information provided will allow us to properly credit the earnings records for your employees. You do not have to give us these facts, but, if you do not, we will refer your case to IRS.

We rarely use the information you supply for any purpose other than for properly crediting the earnings records for you employees. However, we may use it for the administration and integrity of Social Security programs.
