

ELECTRONIC RECORDS EXPRESS (ERE)

OMB No. 0960-0753

ADDENDUM TO THE SUPPORTING STATEMENT

- To reduce time and cost for medical providers and SSA employees, the agency is currently increasing functionality within the ERE website. Specifically, we are adding screens to the website which medical providers can use to electronically submit payment requests to SSA. We are including the new ERE screens for this functionality in ROCIS (see "IC" list).
- For the telephone registration process, we provide the OMB number and Paperwork Reduction Act/Privacy Act statements over the phone.
