

**Supporting Statement**  
**(Form 8811)**

**1. CIRCUMSTANCES NECESSITATING COLLECTION OF INFORMATION**

Current regulations require real estate mortgage investment conduits (REMICs) to provide Forms 1099 to true holders of interests in these investment vehicles. Because of the complex computations required at each level and the potential number of nominees, the ultimate investor may not receive a Form 1099 and other information necessary to prepare a tax return until July or August. Form 8811 collects information for publishing by the IRS so that brokers can contact REMICs to request the financial information and timely issue Form 1099 to holders.

**2. USE OF DATA**

The form allows the IRS to provide the REMIC industry the information necessary to issue correct information returns to investors.

**3. USE OF IMPROVED INFORMATION TECHNOLOGY TO REDUCE BURDEN**

Form 8811 cannot be filed electronically, since its relatively low volume does not justify the cost electronic enabling.

**4. EFFORTS TO IDENTIFY DUPLICATION**

We have attempted to eliminate duplication within the agency wherever possible.

**5. METHODS TO MINIMIZE BURDEN ON SMALL BUSINESSES OR OTHER SMALL ENTITIES**

Not applicable.

**6. CONSEQUENCES OF LESS FREQUENT COLLECTION ON FEDERAL PROGRAMS OR POLICY ACTIVITIES**

Not applicable.

**7. SPECIAL CIRCUMSTANCES REQUIRING DATA COLLECTION TO BE INCONSISTENT WITH GUIDELINES IN 5 CFR 1320.5(d)(2)**

Not applicable.

**8. CONSULTATION WITH INDIVIDUALS OUTSIDE OF THE AGENCY ON AVAILABILITY OF DATA, FREQUENCY OF COLLECTION, CLARITY OF INSTRUCTIONS AND FORMS, AND DATA ELEMENTS**

Periodic meetings are held between IRS personnel and representatives of the American Bar Association, the National Society of Public Accountants, the American Institute of Certified Public Accountants, and other professional groups to discuss tax law and tax forms. During these meetings, there is an opportunity for those attending to make comments regarding Form 8811.

In response to the **Federal Register Notice** dated **March 24, 2009 (74 FR 12456)**, we received no comments during the comment period regarding Form 8811.

**9. EXPLANATION OF DECISION TO PROVIDE ANY PAYMENT OR GIFT TO RESPONDENTS**

Not applicable.

**10. ASSURANCE OF CONFIDENTIALITY OF RESPONSES**

Generally, tax returns and tax return information are confidential as required by 26 USC 6103.

**11. JUSTIFICATION OF SENSITIVE QUESTIONS**

Not applicable.

**12. ESTIMATED BURDEN OF INFORMATION COLLECTION**

	<b><u>Number of Responses</u></b>	<b><u>Time per Response</u></b>	<b><u>Total Hours</u></b>
<b>Form 8811</b>			1,000
			4.38
			4,380

Estimates of annualized cost to respondents for the hour burdens shown above are not available at this time.

The following regulation imposes no additional burden.

Please continue to assign OMB number 1545-1099 to this regulation.

1.6049-7

**13. ESTIMATED TOTAL ANNUAL COST BURDEN TO RESPONDENTS**

As suggested by OMB, our **Federal Register Notice** dated **March 24, 2009 (74 FR 12456)**, requested public comments on estimates of cost burden that are not captured in the estimates of burden hours, i.e., estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. However, we did not receive any responses from taxpayers on this subject. As a result, estimates of these cost burdens are not available at this time.

**14. ESTIMATED ANNUALIZED COST TO THE FEDERAL GOVERNMENT**

The primary cost to the government consists of the cost of printing this form. We estimate that the cost of printing the form is \$400.

**15. REASONS FOR CHANGE IN BURDEN**

There is no change in the paperwork burden previously approved by OMB. We are making this submission to renew the OMB approval.

**16. PLANS FOR TABULATION, STATISTICAL ANALYSIS AND PUBLICATION**

Not applicable.

**17. REASONS WHY DISPLAYING THE OMB EXPIRATION DATE IS INAPPROPRIATE**

See attachment.

**18. EXCEPTION TO THE CERTIFICATION STATEMENT ON OMB FORM 83-I**

Not applicable.

**Note:** The following paragraph applies to all of the collections of information in this submission:

An agency may not conduct or sponsor, and a person is not

required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

## OMB EXPIRATION DATE

We believe the public interest will be better served by not printing an expiration date on the form(s) in this package.

Printing the expiration date on the form will result in increased costs because of the need to replace inventories that become obsolete by passage of the expiration date each time OMB approval is renewed. Without printing the expiration date, supplies of the form could continue to be used.

The time period during which the current edition of the form(s) in this package will continue to be usable cannot be predicted. It could easily span several cycles of review and OMB clearance renewal. In addition, usage fluctuates unpredictably. This makes it necessary to maintain a substantial inventory of forms in the supply line at all times. This includes supplies owned by both the Government and the public. Reprinting of the form cannot be reliably scheduled to coincide with an OMB approval expiration date. This form may be privately printed by users at their own expense. Some businesses print complex and expensive marginally punched continuous versions, their expense, for use in their computers. The form may be printed by commercial printers and stocked for sale. In such cases, printing the expiration date on the form could result in extra costs to the users.

Not printing the expiration date on the form(s) will also avoid confusion among taxpayers who may have identical forms with different expiration dates in their possession.

For the above reasons we request authorization to omit printing the expiration date on the form(s) in this package.
