

# ENROLL US

## We Want to Be a Champion for EPA's National Partnership for Environmental Priorities (NPEP)

For instructions or more information on NPEP Champion program, visit [epa.gov/npep](http://epa.gov/npep)

### CHAMPION AGREEMENT

Our organization is choosing to become a Champion for EPA's National Partnership for Environmental Priorities. Our goal is to recruit one or more partners that will reduce the quantity of one or more priority chemicals currently found in their products, processes, or releases using techniques such as source reduction, recycling, or other materials management practices. In this enrollment application, we identify two or more voluntary goals to promote reduction of priority chemicals and recruit new partners that we believe we can achieve as champions in this program. The voluntary goal(s) provided below is an initial estimate and may change over time. We may revise our goal(s) or withdraw from the program at any time. If/when we choose to revise our goals or withdraw from the program, we will notify EPA.
