Under the authority of Title XII of the American Recovery and Investment Act of 2009 (ARRA), HUD was allocated \$3 billion of additional Capital Funds to be made available to Public Housing Authorities (PHAs) by the same formula used for amounts made available in fiscal year 2008. To ensure that PHAs utilize these funds for priority projects and are engaging in long term planning, HUD is requiring that all PHAs be required to complete a Physical Needs Assessment. HUD is currently beginning the process of developing a new PNA form to replace the HUD-52829 which had previously been used for financing transactions only. Due to the urgency of this collection effort, HUD will use the HUD-52829 until another form can be developed.
